

East Aurora School District 131
310 Seminary Ave
Aurora, IL 60505

Date: March 3rd, 2025
To: Dr. Jennifer Norrell, Superintendent of Schools
East Aurora School District 131 Board of Education
From: Andrew Allen, Executive Director of Information Systems/CIO
Subject: Recommendation to purchase 1,950 Lenovo Chromebooks with
3yr Advanced Device Protection for students in grades 2nd and 9th.

Chromebook Purchase:

Seek approval for the purchase of Lenovo Chromebooks with 3yr Advanced Device Protection for students who will be in Grades 2nd and 9th for FY 2025-2026.

Justification:

The current cycle for the purchasing of Chromebooks is 2nd, 6th, and 9th grades every year. This year we will only be purchasing Chromebooks for incoming students in 2nd and 9th grades. Fall of 2024 the district purchased Chromebook for all students in 2nd – 5th grades. We will collect the 5th grade devices at the end of the year inspect and redistribute those devices back to the students at their appropriate middle school for FY 2025-2026. Purchasing these Chromebooks will enable students to use a wider array of accessibility features to accommodate the learner's needs. Chromebooks will integrate all G-Suite applications creating a seamless management system allowing the district to update and distribute applications and restrictions remotely. Chromebooks are easy to fix, less expensive and their batteries last all day. These devices are built for students. They are student-centered devices, with “education anywhere” being their prime purpose for existing. Many instructional staff of older elementary school students have expressed the need for students to have a keyboard for better productivity and learning experience.

Board Policy:

Pursuant to Board Policy 4:60, Supplies, materials, or work involving an expenditure in excess of \$25,000 must comply with the State law bidding procedure, 105 ILCS 5/10-20.21, unless specifically exempted.

Strategic Plan Alignment:

This recommendation supports Strategic Goal #1, Educational Equity that states the following: *East Aurora School District 131 will meet the diverse needs of all student by ensuring a safe and inclusive learning environment.* Strategic Goal #2, Operational Excellence that states the

Recommendation:

It is recommended that the Board of Education authorize the purchase of 1,950 Lenovo Chromebooks with 3yr Advance Device Protection for students who will be in 2nd and 9th grades in the 2025-2026 school year. The purchase agreement would be with ChromeBookParts.com for \$649,701. District technology funding would be used for the purchase.
