

## 21<sup>st</sup> Century/Ee-Kah-Ki-Maht Summer Learning Program

### Board Report July 2023

The 21<sup>st</sup> Century/Ee-Kah-Ki-Maht Summer Program will be offering services until the end of July the program is located at Browning Elementary School Grades K-8<sup>th</sup> Grade. Our Program is based on STREAM Experiments/Activities (Science, Technology, Reading, Arts & Math) lots of recreational activities throughout the week. EE-Kah-Ki-Maht open gyms are still open in the evenings BES Gym 4:00pm – 9:00pm Mon-Thursday.

Here is some of the activities offered.

\*Lava\*Volcano making \*Playdough \*Paper Rockets \*Skittles Experiment \*Kite Experiments \*Boat Experiment

- Cultural Activities – Beading (age/grade appropriate) Painting, Ribbon skirt/shawl making and cultural walking field trips.
- Art's and Craft's projects ranging from drawing, coloring, building towers and painting projects.
- Swimming
- Bike Rides
- Exercising – daily exercising
- Drones – Intro to learning to fly drones.
- Robotics – Building solar robots.
- Blackfeet Star Story – Star Story lessons with telescopes. (Star Gazing).
- Weekly Field Trips

The 21<sup>st</sup> Century Summer Program/Ee-Kah-Ki-Maht /Summer School recently visited Wheels of Thunder (Roller Skating). Students had the opportunity to learn about roller skating through STEM Engineering, Friction and Measuring Reaction Time, they also got to enjoy the arcade and Gibson Park.

Mr. Roo Wiggins from Grow Training put on a two-day B-Ball camp for student's 2<sup>nd</sup>-12<sup>th</sup> Grades. The camp consisted of drills/games/activities/good health/positive energy/organization/fundamentals: shooting/passing/ball handling and communication. The students learned so much in such a short time, but most of all they had fun.

July 19, 2023, will be our last field trip with the students. Our plans are to visit Giant Springs Fish Hatchery and take in the Electric City Water park in the afternoon in Great Falls, MT.

All the 21<sup>st</sup> Century/Ee-Kah-Ki-Maht Staff have been enjoying a fun filled summer with all the students.

Sincerely,

Heidi Bull Calf  
Student Activities Coordinator
