DESCRIPTION:

The 2022 National FFA Convention will be held in Indianapolis, Indiana, from October 25 through October 29, 2022. Seven Buffalo FFA members, will attend. Attendance at this convention is highly recommended by the Minnesota Department of Education.

While at the convention, our members will have the opportunity to meet with other FFA members from across the United States, attend the career show with hundreds of representatives from colleges, universities and businesses from all facets of the agriculture industry and will be able to hear from some of the best motivational speakers in the country.

A highlight of the convention this year will be seeing our Buffalo FFA Market Plan and Horse Evaluation teams compete on the National stage. This is really exciting for our chapter and school since it is the first time in the history of the Buffalo FFA that our chapter has won two state championships at the Minnesota State FFA Convention.
