BACKGROUND INFORMATION:

In January, 2004 the Oregon School Board Association performed an audit of the Beaverton School District Board policies. As a result of this audit, departments continue to work to reach compliance of the policies pertinent to their areas. Throughout the school year new policies and/or policy changes will be presented for your review.

RECOMMENDATION:

(13-270) It is recommended that the School Board adopt these policy changes.

Beaverton School District

Code: FF
Adopted: 3/27/89
Readopted: 9/11/00,
6/18/12
Orig. Code: 1160

NAMING FACILITIES

The Board will select names for schools ~~and other District sites~~.

In considering names for schools ~~and sites~~, preference will be given to names associated with the community. Names of historical persons, places and events may be subsequently considered. Names of persons who are living or have been deceased less than three years will not be considered.

Recommendations from Community Engagement Committees, parent groups, other organizations and residents of the district will be considered.

Locations ~~Facilities~~ within a school or site ancillary facility (e.g., auditorium, athletic fields) shall not be given separate names; however, the Superintendent in his or her discretion can permit a collective memorial that equitably honors deceased members of a school or the District community (e.g., "Memorial Garden" or "Veterans Plaza").

The Superintendent will, upon request, prepare for the Board a list of possible names for each new school. The Superintendent also shall develop an AR that describes the process for the application for and approval of a collective memorial and that includes a list of other suitable memorials for honoring deceased students and staff.

Title I/Parental Involvement **

The District recognizes that parent involvement is vital to achieve maximum educational growth for students participating in the District's Title I program.

The Superintendent shall ensure ~~equity equivalence~~ among schools in teachers, administration, and other staff and in the provisions of curriculum materials and instructional supplies.

Therefore, in compliance with federal law and Oregon Department of Education guidelines, the District shall ensure that parents are provided information, in an annual school-based meeting, regarding their school's participation in the Title I program and its requirements. Parents of participating students shall be informed of their right to be involved in the development of their school's Title I plan and school-parent compact. This policy shall be reviewed annually, *in cooperation with parents*, by the District's Elementary and Secondary Education Act Committee and updated periodically to meet the changing needs of parents and schools.

The District shall, to the extent practicable, provide full opportunities for the participation of parents with limited English proficiency, parents with disabilities, parents of homeless students, and parents of migratory students. Information and school reports will be provided in a format and language parents understand.

The superintendent shall develop administrative regulations to implement this policy and meet the requirements of the law.
