SUBJECT:	FY 2018 1st Proposed Reading Budget
Date:	February 23, 2017
FROM:	Lucienne Smith, Contracted Business Manager Alaska Education & Business Services, Inc.
THRU:	Lauren Burch, Superintendent
то:	SISD BOARD OF EDUCATION

The FY 2018 1st proposed budget is enclosed. The budget as presented is not balanced as **expenditures exceed** revenues by **\$308,698**.

Food Service Fund – This budget reflects \$44K to supplement this program to break even.

**Pupil Transportation** – This fund should have generated funds in past years but we have seen our other purchased services expense triple over 4 years. Funds generated add to the Pupil Transportation fund balance and those funds are used to replace rolling stock buses.

The budget has been built with the following assumptions:

#### Revenues

- > Enrollment is projected the same in total next year from our current year actual
- > Current Area Cost Differential (1.403) as included in the foundation calculation;
- > BSA \$5,930 what we are receiving this year less 2.5% from the total foundation calculation
- Intensive funding remains 13 times the BSA budgeted for 13 Intensive Districtwide, the same as the current year
- > Timber Receipts have not been budgeted for FY 2018
- > Pupil Transportation is budgeted at a decrease with a decrease in enrollment
- Food Services revenues are at status quo due to more sites being CEP
- > PERS/TRS is based on current year, this will be updated by the May presentation
- E-rate based on proposal received additionally the State BAG Grant fund for the % not covered by federal funding is included since it has not been cut at the Legislative level
- Edna Bay School closed no revenue generated
- Port Protection School closed no revenue generated

#### **Expenditures**

- > Step increase for returning classified positions (if applicable)
- > Step increase (if applicable) for returning certificated positions
- Liability & Property Insurances increased
- Edna Bay closed no expenses
- Port Protection School closed minimal expenses
- PERS/TRS is based on current year, this will be updated by the May presentation
- Communications under DW technology based on proposal received for Internet services
