Re: Freedom of Information Act Requests #1, #2, #3, #4, #5, #6, #7, #8, #9, #10

To whom it may concern:

The School District received your Freedom of Information Act requests. Your request and the District's response are provided below.

Request: The actual electronic data maintained by the Treasurer's office for the annual expenses paid to identified vendors, firms, and individuals for the fiscal years FY98 thru FY24. This request specifically excludes salaries, wages, and benefits paid to staff members. We are interested in vendors, firms, and individuals who have received total payments of \$500 or more for each fiscal year, regardless of whether this total comes from a single payment or multiple payments.

Response: The School District publishes an Annual State of Affairs (ASA) for each fiscal year. These reports, which are an excel file, are publicly available on the website of the Illinois State Board of Education and contain the payment information that you have requested. To access this information: visit the link listed below, click on [Cerberus FTP Server](#), enter "finread" in the username, and then click "Sign-in". This application does not require a password. Select the "ASA" folder, select the year desired, and scroll to find RIVER TRAILS SCHOOL DISTRICT 26 or the District's RCDTS number 050160260020000. Once in the ASA, the vendor information can be found by clicking on the tabs at the bottom of that document. These reports are available for the years 2006-2024. The District does not have records related to before 2006 in the format you requested. To provide the information you request, the District would be required to create records, which it is not required to do under FOIA.

The link to the ISBE reports is here: <https://www.isbe.net/Pages/School-Finance-Historical-Reports.aspx>. The District is not required to provide copies of public records that are already published on its website, pursuant to 5 ILCS 140/8.5(a).

You further request that the information be sent in a specific Excel format suggested by you for your own organizational purposes. The District has no obligation to create records or provide records in the organizational format you requested and has not done so.

As the FOIA officer I certify that to the best of my knowledge these records include all information responsive to the request in the District's possession and to the extent described in this response. I am unaware of any other information that exists that is not included in this response.

To the extent you interpret this response as a denial of your request, you have the right to have the denial reviewed by the Public Access Counselor (PAC) at the Office of the Illinois Attorney General. 5 ILCS 140/9.5(a). You can file your Request for Review with the PAC by writing to: Public Access Counselor, Office of the Attorney General, 500 South 2nd Street Springfield, Illinois 62706, Fax: 217-782-1396, E-mail: public.access@ilag.gov, Phone: 877-299-3642. If you choose to file a Request for Review with the PAC, you must do so within 60 calendar days after the date of the denial letter. 5 ILCS 140/9.5(a). Please note that you must include a copy of your original request for documents and the denial letter when filing a Request for Review with the PAC. You also have the right to seek judicial review of your denial by filing a lawsuit in the State circuit court. 5 ILCS 140/11.

Sincerely,
Ryan Berry
Freedom of Information Officer

Subject: **FOIA REQUEST #10** March 31, 2025_Financial Records Data (5 ILCS 140/2.5)_ROE Grouping - 05

Dear Superintendent,

This request is submitted for non-commercial purposes under the Illinois Freedom of Information Act (5 ILCS 140). It is similar to FOIA #1, FOIA #2, FOIA #3, FOIA #4, FOIA #5, FOIA #6, FOIA #7, FOIA #8 and FOIA #9, but seeks financial data for different fiscal years. Please refer to FOIA #1 for detailed instructions on handling this request, including the format for the data and the structured communication practice.

REQUEST #10: FY2017, FY2007

We are requesting the actual electronic data maintained by the district's Treasurer for the annual expenses paid to identified vendors, firms, and individuals for the fiscal years **2017 and 2007** by the school district, including any predecessor districts that existed at the end of each respective fiscal year and have since consolidated or annexed into the current district. This request specifically excludes salaries, wages, and benefits paid to staff members. We are interested in vendors, firms, and individuals who have received total payments of \$500 or more for each fiscal year, regardless of whether this total comes from a single payment or multiple payments.

For convenience and organization, we suggest adding the data for fiscal years **2017 and 2007** as additional worksheet tabs to the Excel workbook delivered to us in response to FOIA #1 (containing FY, 2024, FY2014, and FY2004). This would result in a single Excel workbook containing multiple "annual" tabs, organizing all responses to date in one file. If this is not feasible, please provide the data for fiscal years **2017 and 2007** in a separate Excel workbook following the same format as specified in FOIA #1.

We request that each district's Treasurer certify the electronically maintained data. The certification should be similar to the one requested in FOIA #1, stating that the records are true, correct, and complete copies of all relevant records found in the files of the Office of the School Treasurer, official custodian of all district money as well as all investments owned by the district. This certification should cover the data for fiscal years **2017 and 2007**.

We request a waiver of any applicable copying or processing fees, as this request serves the public interest by promoting transparency and accountability in the use of public funds.

Please add our email address, ad.cuius.bonum@proton.me, to your contact lists to prevent future communications from being flagged as spam.

Under the Illinois Freedom of Information Act, all records in the custody or possession of a public body are presumed to be open to inspection or copying, unless the public body can prove by clear and convincing evidence that the records are exempt from disclosure (5 ILCS 140/1.2). We expect a timely response and adherence to the statutory requirements.

The 5-day due date for this request is: **Monday, April 7, 2025**.

Thank you for your immediate attention to this public records request.

5. A determination that the public body has "*acted in bad faith*" as contemplated by **5 ILCS 140/11(j)**, potentially subjecting the public body to civil penalties.

FAILURE TO COMPLY with these directives may result in:

4. Constructive denial of the FOIA request due to non-response within the statutorily mandated timeframe. **Note: "The FOIA request was routed to a spam folder" will not be considered a valid excuse, as compliance with directives #1 and #2 above effectively eliminates this possibility. The court is unlikely to find "the dog ate the requester's well-drafted FOIA" arguments persuasive, especially when the dog should have been put on a leash (as per directives #1 and #2) when warned via this Notice.**
5. A determination that the public body has "*acted in bad faith*" as contemplated by **5 ILCS 140/11(j)**, potentially subjecting the public body to civil penalties.
6. Immediate legal action to compel compliance with FOIA and to seek all available remedies under Illinois law.

This notice serves as written documentation of your awareness regarding proper handling of communications from this email address.

Be advised that all actions or inactions related to this FOIA request will be meticulously documented and may be used as evidence in any subsequent legal proceedings.

Subject: **FOIA REQUEST #7** March 28, 2026_Financial Records Data (5 ILCS 140/2.5)_ROE Grouping - 05

Dear Superintendent,

This request is submitted for non-commercial purposes under the Illinois Freedom of Information Act (5 ILCS 140). It is similar to FOIA #1, FOIA #2, FOIA #3, FOIA #4, FOIA #5 and FOIA #6, but seeks financial data for different fiscal years. Please refer to FOIA #1 for detailed instructions on handling this request, including the format for the data and the structured communication practice.

REQUEST #7: FY2018, FY2008, FY1998

We are requesting the actual electronic data maintained by the district's Treasurer for the annual expenses paid to identified vendors, firms, and individuals for the fiscal years **2018, 2008, and 1998** by the school district, including any predecessor districts that existed at the end of each respective fiscal year and have since consolidated or annexed into the current district. This request specifically excludes salaries, wages, and benefits paid to staff members. We are interested in vendors, firms, and individuals who have received total payments of \$500 or more for each fiscal year, regardless of whether this total comes from a single payment or multiple payments.

For convenience and organization, we suggest adding the data for fiscal years **2018, 2008, and 1998** as additional worksheet tabs to the Excel workbook delivered to us in response to FOIA #1 (containing FY, 2024, FY2014, and FY2004). This would result in a single Excel workbook containing multiple "annual" tabs, organizing all responses to date in one file. If this is not feasible, please provide the data for fiscal years **2018, 2008, and 1998** in a separate Excel workbook following the same format as specified in FOIA #1.

We request that each district's Treasurer certify the electronically maintained data. The certification should be similar to the one requested in FOIA #1, stating that the records are true, correct, and complete copies of all relevant records found in the files of the Office of the School Treasurer, official custodian of all district money as well as all investments owned by the district. This certification should cover the data for fiscal years **2018, 2008, and 1998**.

We request a waiver of any applicable copying or processing fees, as this request serves the public interest by promoting transparency and accountability in the use of public funds.

Please add our email address, ad.cuius.bonum@proton.me, to your contact lists to prevent future communications from being flagged as spam.

Under the Illinois Freedom of Information Act, all records in the custody or possession of a public body are presumed to be open to inspection or copying, unless the public body can prove by clear and convincing evidence that the records are exempt from disclosure (5 ILCS 140/1.2). We expect a timely response and adherence to the statutory requirements.

The 5-day due date for this request is: **Friday, April 4, 2025**.

Thank you for your immediate attention to this public records request.

Hi Brian,

We've started to get these FOIAs pretty much daily. The requests are at least regionally being received and I suspect statewide. Do you know if IASA is planning to approach the PAC in the AG's office? They are starting to wreak havoc with our staff and we're considering next steps.

This request specifically excludes salaries, wages, and benefits paid to staff members. We are interested in vendors, firms, and individuals who have received total payments of \$500 or more for each fiscal year, regardless of whether this total comes from a single payment or multiple payments.

For convenience and organization, we suggest adding the data for fiscal years **2022, 2012, and 2002** as additional worksheet tabs to the Excel workbook delivered to us in response to FOIA #1 (containing FY, 2024, FY2014, and FY2004). This would result in a single Excel workbook containing multiple "annual" tabs, organizing all responses to date in one file. If this is not feasible, please provide the data for fiscal years **2022, 2012, and 2002** in a separate Excel workbook following the same format as specified in FOIA #1.

We request that each district's Treasurer certify the electronically maintained data. The certification should be similar to the one requested in FOIA #1, stating that the records are true, correct, and complete copies of all relevant records found in the files of the Office of the School Treasurer, official custodian of all district money as well as all investments owned by the district. This certification should cover the data for fiscal years **2022, 2012, and 2002**.

We request a waiver of any applicable copying or processing fees, as this request serves the public interest by promoting transparency and accountability in the use of public funds.

Please add our email address, ad.cuius.bonum@proton.me, to your contact lists to prevent future communications from being flagged as spam.

Under the Illinois Freedom of Information Act, all records in the custody or possession of a public body are presumed to be open to inspection or copying, unless the public body can prove by clear and convincing evidence that the records are exempt from disclosure (5 ILCS 140/1.2). We expect a timely response and adherence to the statutory requirements.

The 5-day due date for this request is: **Tuesday, April 1, 2025**.

Thank you for your immediate attention to this public records request.

Dear Superintendent,

This request is submitted for non-commercial purposes under the Illinois Freedom of Information Act (5 ILCS 140). It is similar to FOIA #1, FOIA #2, and FOIA #3, but seeks financial data for different fiscal years. Please refer to FOIA #1 for detailed instructions on handling this request, including the format for the data and the structured communication practice.

REQUEST #4: FY2021, FY2011, FY2001

We are requesting the actual electronic data maintained by the district's Treasurer for the annual expenses paid to identified vendors, firms, and individuals for the fiscal years **2021, 2011, and 2001** by the school district, including any predecessor districts that existed at the end of each respective fiscal year and have since consolidated or annexed into the current district. This request specifically excludes salaries, wages, and benefits paid to staff members. This request specifically excludes salaries, wages, and benefits paid to staff members. We are interested in vendors, firms, and individuals who have received total payments of \$500 or more for each fiscal year, regardless of whether this total comes from a single payment or multiple payments.

For convenience and organization, we suggest adding the data for fiscal years **2019, 2009, and 1999** as additional worksheet tabs to the Excel workbook delivered for FOIA #1 (containing FY, 2024, FY2014, and FY2004). This would result in a single Excel workbook containing six tabs (FY2024, FY2019, FY2014, FY2009, FY2004, and FY1999), organizing all responses to date in one file. If this is not feasible, please provide the data for **FY2019, FY2009, and FY1999** in a separate Excel workbook following the same format as specified in FOIA #1.

We request that each district's Treasurer certify the electronically maintained data. The certification should be similar to the one requested in FOIA #1, stating that the records are true, correct, and complete copies of all relevant records found in the files of the Office of the School Treasurer, official custodian of all district money as well as all investments owned by the district. This certification should cover the data for fiscal years 2019, 2009, and 1999.

We request a waiver of any applicable copying or processing fees, as this request serves the public interest by promoting transparency and accountability in the use of public funds.

Please add our email address, ad.cuius.bonum@proton.me, to your contact lists to prevent future communications from being flagged as spam.

Under the Illinois Freedom of Information Act, all records in the custody or possession of a public body are presumed to be open to inspection or copying, unless the public body can prove by clear and convincing evidence that the records are exempt from disclosure (5 ILCS 140/1.2). We expect a timely response and adherence to the statutory requirements.

NOTICE:

This email constitutes a formal Freedom of Information Act (FOIA) request when the subject line follows a format similar to: "**FOIA Request #__ For Public Records (Date: Day, Month, 2025)**". For such emails:

1. *If not already done so in response to a previous FOIA request, immediately add ad.cuius.bonum@proton.me as a trusted contact in all email accounts maintained by, or otherwise confirm that this email address has been added as a trusted contact in all email accounts maintained by:*
 - a) The designated FOIA Officer(s) of your public body
"Each public body shall designate one or more officials or employees to act as its Freedom of Information officer or officers." (5 ILCS 140/3.5)
 - b) The Head of the public body as defined in **5 ILCS 140/2(e)**

2. Implement appropriate email filtering rules to ensure communications from this address are not diverted to spam, junk, or quarantine folders.
3. Acknowledge receipt of the initial FOIA request email by clicking the "**Send read receipt**" option in your email client on the same date as received or the next business day. This action:
 - a) Confirms the date and time the FOIA request was sent, as stated in the subject line
 - b) Establishes the timestamp for calculating all subsequent statutory deadlines under FOIA
 - c) Initiates an outbound email from your public body to our address, improving future deliverability

FAILURE TO COMPLY with these directives may result in:

1. Constructive denial of the FOIA request due to non-response within the statutorily mandated timeframe. **Note: "The FOIA request was routed to a spam folder" will not be considered a valid excuse, as compliance with directives #1 and #2 above effectively eliminates this possibility. The court is unlikely to find "the dog ate the requester's well-drafted FOIA" arguments persuasive, especially when the dog should have been put on a leash (as per directives #1 and #2) when warned via this Notice.**
2. A determination that the public body has "*acted in bad faith*" as contemplated by **5 ILCS 140/11(j)**, potentially subjecting the public body to civil penalties.
3. Immediate legal action to compel compliance with FOIA and to seek all available remedies under Illinois law.

This notice serves as written documentation of your awareness regarding proper handling of communications from this email address.

Be advised that all actions or inactions related to this FOIA request will be meticulously documented and may be used as evidence in any subsequent legal proceedings.

Govern yourselves accordingly.

Dear Superintendent,

See attached FOIA Request.

When initially responding to the attached FOIA request, please send the first response as a "Reply" email to ad.cuius.bonum@proton.me rather than starting a new thread via a new email. If both parties respond in the same manner (responding to the most recent inbound email from the other party) until the request is fulfilled, there will only be one email thread. Additionally, please remove any "Re: " prefix (or any other "Reply" abbreviation, if any) from the subject line prior to clicking "Send" to ensure that all "Reply" emails related to this request have the same exact "Subject" line text (see above) for sorting purposes. This approach aligns with the statutory duty under 5 ILCS 140/3.5(a)(4), which requires the retention of written communications and responses. By maintaining a single thread, we can ensure that all communications are efficiently organized and retained, facilitating compliance with the Illinois Freedom of Information Act. Thank you in advance for your cooperation in maintaining the suggested structured communication practice, which we both should be able to agree, is essential for efficient communications, record-keeping, and compliance.

Thus, all written communications surrounding the fulfillment of this FOIA can be archived (print-to-PDF) by both the FOIA officer and the requester as a single document, maintaining a clear and organized record of our interaction.

The 5-day due date for this request is: Friday, March 21, 2025

Thank you for your immediate attention to this public records request.
