

UNITY HIGH SCHOOL

LOOKING AHEAD

- August 16th: Girls Golf Invite and Football Scrimmage are away; First home event is Girls Tennis on Aug. 22nd at 4:00pm.
- Open House is Monday August 26th, 5:00-7:00pm, with Freshman Orientation during Open House from 6:00-6:30 in the PAC.
- First day of School is Sept. 3rd. Student Council has planned and organized a great first week.
- Sept. 20th is the Homecoming Parade (in Balsam Lake), Football Game, and Dance

Athletic Director Cory Nelson

Mr. Nelson has assumed all Athletic Director duties while still leading a few PE courses. No more varsity FB, but he continues to coach at the youth level. We are fortunate to have his energy leadership and experience!

CURRENT EVENTS

Online Registration is open for Students. Registration is due Aug 16th.

Online registration can be found on the parent portal. Please contact your student's office if assistance is needed. Registration must be completed every year and is a great way to update any contact information.

Athletic Registration is now online.

This year we have launched a new athletic registration working with rSchool. All athletic registration will be done online. Unity High School is proud to offer various options for our students to engage in. Athletics and activities provide opportunities for developing memories, success, and relationships.

With school fast approaching we are excited to welcome back and include new staff to Unity.

Teachers will be back onsite August 21st to start in-service. During that time we will be prepping our first week of school and getting classrooms ready for students. UHS has a first-class staff and we are thrilled with our newest additions, too.

What have UHS students been up to?

- We had a successful summer school. Many students in Driver's Ed, Community Service, Credit Recovery, and Strength Training. Their time and hard work will pay off this school year.
- Skills USA: Annual June Car Show went well; vendors, car smash, dunk tank, and craft booths. A student also took 8th place at Nationals in Atlanta.
- FBLA: Two students competed in June at nationals in Florida and represented Unity well.
- College Bound Math & Science students took trips to college campuses & leadership camps.
- Some MS/HS students went to New York and Washington D.C. with a teacher, and all went very well. More info to come in September.
