

PROCLAMATION

WHEREAS, the Coppell Independent School District encourages the health and wellbeing of all of its staff and learners through district-wide health initiatives such as healthy nutrition, SHAC and Walk to School Wednesdays.

WHEREAS, a healthy school community is more united, more productive, and more prosperous.

WHEREAS, "Living Well in Coppell" is a volunteer-based community initiative with a mission to encourage an active, healthy lifestyle for anyone one lives, works, and learns in Coppell; and

WHEREAS, "Living Well in Coppell" in cooperation with H-E-B Community Challenge for Schools, which launched February 1, 2015, and runs through February 28, 2015, is a one-of-a-kind competition that challenges communities, including school districts, across the state of Texas to compete to see which can demonstrate the greatest commitment to healthy living; and

WHEREAS, The H-E-B Community Challenge unites and mobilizes schools, educators, learners, and volunteer and booster organizations toward the common goal of transforming their community's health.

NOW, THEREFORE, we the Coppell Independent School District Board of Trustees pledge to make our school district a model for others to follow during the February 1, 2015 - February 28, 2015, "H-E-B SCHOOL DISTRICT CHALLENGE."

Signed this 23rd day of February, 2015

President, Board of Trustees

Secretary, Board of Trustees
