### FY25 Minimum Teacher Salary Released

Hello and Happy Wednesday!

During the 2023 spring session, HB 300 was passed into law (Public Act [103-515](#)), and charged the Commission on Government Forecasting and Accountability (COGFA) with determining the new minimum teacher salary every year moving forward, starting with the 2024-2025 school year. For this first year, the new salary was required to be posted by September 30, 2023. Last week, the new salary was released, and based on the statutory requirements, it was increased by 2.97%, for a new minimum salary of \$41,188 for FY25. You can read the full release [here](#).

For each year moving forward, the minimum salary will be posted by COGFA by July 20th.

At the end of this month, we will be starting the Fall Veto Session. Sessions are scheduled for October 24, 25, and 26, and November 7, 8, and 9. As always, we will be sure to keep you updated on the education-related happenings in Springfield!

Sincerely,

Your Government Relations Team

**Madeline McCune**  
Director of Government Relations

**Emily Warnecke**  
Chief of Staff
