News from Mr. Regal

Hello Evergreen families,

We are in the final days of school! The last day for students will be June 13th and only have 32 instructional days with our students before they move up a grade. These last days before summer are very important for our students to end the year on a positive note. Our staff continues to provide quality instruction and engaging lessons in reading, math, and writing until the last day.

I am encouraging and asking for parents to please make sure their kid(s) are on time in the morning at 7:35 a.m. and that regular attendance continues to be a priority for all. Our daily attendance rate for the school year is 90.8% and the state expectation is 92% or higher for the school year. I know we have been hit pretty hard with illness during the winter months and am hoping this is all behind us. Please help us get back on track and meet our goal for this year! Thanks for your help in continuing to make Evergreen an amazing school for our community.

Jog-a-thon is coming Friday, June 1st from 9-11:30am. We are continuing to raise money for the student body fund; which supports individual classrooms, field trips, school wide assemblies, and future projects for our playground. Every penny counts to help provide our students with positive and memorable experiences throughout the year at Evergreen. So, please take the time to help raise money for future events and experiences at our school!

Have a Marvelous May,

David Regal
