Information:

Date for Consideration: April 15, 2025

Subject: Consideration of Stipend Increases for 2025-2026

MISD Board of Trustees: April 15, 2025

Agenda Item – 8A8

Background Information

Administration typically presents a Compensation Plan for consideration during the April Board meeting. Due to the 89th Legislative Session and pending action that could impact state financial contributions, full recommendations regarding a Compensation Plan that includes a general pay increase for employees are delayed. Administration is requesting early consideration for the portion of the Compensation Plan related to several academic stipend increases in the areas of secondary math, secondary science, foreign language, and self-contained special education. An approval of the stipend recommendation would also allow for the addition of stipends in areas such as teacher leadership and wrestling. Overall, this impacts approximately 150 teachers.

Fiscal implications

\$250,000

Administration Recommendation

Approve stipend increases as recommended by administration.
