Re: Teacher Evaluation Agreement

Attached is the updated Teacher Evaluation Agreement. This document provides district guidelines for the evaluation of certified staff. The Joint Committee comprised of Union Board members Yvette Justice and Annie Monninger and Administrative staff members Karla Guseman and Dianne McDonald reviewed the recommendations from the Evaluation Review Team and reached consensus on January 20, 2026. These guidelines go into effect upon Board approval, with the new evaluation cycle beginning March 1, 2026.

Thank you and please let me know if you have any questions.
