

# Secondary School Board Report

## February 2025

1. Registration and Scheduling
  - a. Students are currently attending meetings with Mrs. Doyle and me to go over key points before registering based on what grade they are going into. Examples are: Graduation Requirements, CIS/PSEO, Internships, Credits, GPA, SchoolLinks, etc.
  - b. Students will be registering on Thursday, March 6th
  - c. The goal is to have the master schedule completed in early April
  
2. Profile of a Ranger Graduate
  - a. A group of staff members from CRES and the HS are beginning the work of creating the "Profile of a Ranger Graduate". The group also has a parent rep and a student rep who we will be consulting with.
  - b. This is being done with support from our Sourcewell Career Consultant and a consultant that Sourcewell has hired, Battelle for Kids.
  - c. I will share updates with the board as we complete our work.
  
3. Student Government
  - a. Several student leaders are working to create a Student Government group.
  - b. Their goal is to attend board meetings and help inform the student body of what is happening at a district level. They are energized to help make a positive difference in our school and community by educating and involving students.
