

Medford School Board Meeting
July 2022
Medford Elementary – Mr. Carlson

Summer School Update:

Our 2nd year of our summer school program has gotten off to a great start! We have two sections of students with one being taught by Jen Werk and the other by Keisha Reuvers. Students are focusing on the foundational skills needed for math and reading to help create a more supportive transition into the 22-23 school year. Students have the option of eating lunch at school or bringing a sack lunch home with them at the end of the day. Thank you to all of our teachers who have had a role in making this program happen once again as well as to the kitchen staff for preparing lunches each day and our custodial crew for preparing the rooms each day.

Back to School Picnic:

Our back to school picnic committee has been reaching out to various food vendors to see if they would be willing to attend during our Open House. We also plan on having music and games setup outside for families to connect and create a little buzz to start the upcoming school year!
