W.J. Zahnow Elementary Board Report February 2026

On January 27th and 28th, Zahnow celebrated the 100th day of school, and 1st grade celebrated the 101st day. Our staff, students, and parents have worked hard this year to make it this far. The progress our students have made so far this school year is remarkable! We look forward to seeing their continued growth through the rest of the year.

Valentine's Day fell on a Friday this year and on an early dismissal day, which set up the perfect day for Valentine's Day Parties. Teachers held classroom parties for their students to celebrate the day. Thank you to all the volunteers who came to help with the parties and planning them.

In January, students learned about and practiced the word "Integrity." One student, who exhibited this character trait, was chosen from each classroom at the end of the month and presented with an award at the end-of-the-month assembly. Congratulations to those students selected from each classroom. In February, students are learning about the character trait of "Courage."

Congratulations to Jenna Brinkmann, who was selected for February's Staff Member of the Month. Ms. Brinkmann is an Early Childhood Para who makes an impact in her classroom, throughout the rest of the school, and helps create special projects for the students in her room. We appreciate all that she does! Thank you, Ms. Brinkmann, for all you do for our students and staff!
