- 12- Gunnar Dean (Football)
- 11- Lainey Hicks (volleyball)
- 10- Max Lynch (Football)
- 9- Griffin Kimbrel (Soccer)

PHS celebrated MOPR (prom spelled backwards) week 4/19-4/23. This Spirit week incorporated many “Homecoming” style activities such as dress up days, class competitions with a Trivia game, voting for a King & Queen, and hallway decorating. The King & Queen will be crowned at 6:20 before the Football game Friday night against Staunton.

We got word that PHS has 8 All State Scholars this year!! They are:

- Addie Deere
- Boone Elledge
- Jessica Gruber
- Jonathan Kealen
- [Brock Schoonover](#)
- Katelyn Townsend
- Gabe Wafford
- Byron Witt

These students are in the process of being notified as announcements are slated for this week. We are very proud of them!

We are moving into full Graduation mode here at PHS preparing for all things Senior. Our annual senior slideshow went live on 4/19 on our website. It is a great way for everyone to see what our awesome grads go and do after HS! Be sure to check it out.

Here are some additional good items shared from staff:

- Credit Recovery (took place during 3rd quarter) saw 10/11 Freshmen, $\frac{4}{5}$ Sophomores, 12/14 Juniors and 4/6 Seniors successfully complete their first semester credit recovery. 83%!
- Art- two students placed in the Decatur Arts in Education show. It was virtual online show this year due to the pandemic and trying to keep everyone safe. The two students who placed are: Jessica Pollman and Jennifer Wallace. Jessica received 2nd place and Jennifer received 3rd in that category. "It is difficult to place in the Decatur Art show, and I'm honored to have a senior and junior student represent our school. I am happy that we had two out of 8 entries place. Over 8 schools participated this year." Ms. Henkel
- Music- The High School Band has enjoyed being able to perform at some of our home football games! The Spring Play, "10 Ways to Survive Life in a Quarantine" was a success both in the recording of the performances and then the livestream over the weekend! While we didn't get a chance to perform for a live audience, the students still enjoyed a memorable and educational experience and really grew through the process! The Music Department is looking forward to being able to perform their spring concert live on Friday, May 7! The Junior High concert will be at 6:30 and the High School Concert will be at 7:30. The HS General Music Class is truly enjoying their guitar unit and are enjoying great success with these instruments! Congrats to our 11 PHS Band seniors and our 2 PHS color guard seniors on a great wrap up of their high school marching careers. It has been an amazing year of music making and Mrs. Chase and Ms. Armour thank the board for their support!
- Mrs. Beyers- My students worked hard on filling eggs for the Community Easter Egg Hunt. They all enjoyed being able to help out and were excited for the kids. We talked about different job skills, volunteering, and what makes a good worker. I took my kids this year to the hunt and reported back to the students how it went, which they all enjoyed hearing about. I paid them in full-size candy bars but I told them they all had to give me a bite for taxes. I didn't make them do it, but their faces were priceless when I told them.

April 13th was SAT day at PHS. We also completed our Science Assessment the same week.

The **National Honor Society** inducted its' new members on Wednesday April 7th at 5pm. New Members in top photo, 2yr members in bottom photo.

Here's What is Happening Next month at PHS:
