ACTION

BACKGROUND INFORMATION:

River Road ISD reviews our cafeteria prices annually. With the passage last December of the Healthy, Hunger-Free Kids Act of 2010 (the child nutrition reauthorization bill) there are new requirements that will increase our costs because of an increase in the amount of fruits and vegetables that we must serve as well as a requirement to offer whole grain breads. There is also a requirement in the bill that requires schools to increase prices at least \$0.05 a year until lunch prices are at a level where money received from free and reduced price students no longer subsidizes the cost of meals that are paid for by student who do not receive assistance.

PRESENTATION/PURPOSE:

This is the presentation of a request for your approval for RRISD to increase breakfast and lunch prices for the 2011-2012 school year.

BOARD ACTION REQUESTED

Approve the proposed breakfast and lunch prices as presented.
