Kaitlyn Gerckens Student Council President candidate

Hi, I'm Kaitlyn Gerckens and I'm running for Student Council President! I am hoping that I can be voted in as Student Council President to help our student body grow closer and become more than just friends, more like family.

As this school year is already flying by, prom and our other potential events are approaching soon! In the past, we have struggled with school dance attendance. During my term I would love to create an interactive way to increase the attendance and make these dances more enjoyable to those who think otherwise.

I would also love to create a more supportive student body, as well. From band concerts, to football games, to track meets, I want to find a way to transport students who may not have rides to these events. Along with creating a more engaging environment for students, it would also be ideal to find ways to encourage community members outside of Derby High School to continue supporting us. To do this, we can find new tactics that encourage interest and attraction.

I am excited to continue this journey in Derby High School for my final year. I am beyond grateful to be a part of such a diverse group of students! Throughout my years in Derby I have seen our students grow closer and we have used our differences to learn about each other and support one another. I look forward to see the outcome of this election and hope I can gain your vote!

Thank you,
Kaitlyn Gerckens
"I'm Kaitlyn Gerckens and I approve this message!"

MISSION STATEMENT

Derby High School pursues Academic achievement, promotes creative and critical thinking, expects appropriate Behavior and fosters responsible Citizenship.

"The ABC's of DHS"
