Re: Summer 2019 Abatement Project – 2013 Bond

I would like to request adding Summer 2019 Abatement Project Contractor as an agenda item to the January 22, 2019 Committee of the Whole meeting so Scott Smith, Plante Moran CRESA, and I can update the Board on the award recommendation for the summer of 2019 renovation project at Niji-Iro Elementary.

The RFP for abatement services was made available on November 14, 2018. The bid responses were due on December 4, 2018, and we received three responses. Members of the Bond Team, including Plante Moran CRESA, have reviewed the information. We are recommending Global Green Service Group in the amount of \$21,263.00, plus contingency of \$5,000.00, for a total cost of \$26,263.00.

Please add this as an agenda item for January 22, 2019, and contact me if you have any questions. Thank you.
