Notable Highlights:

- Benchmark results show students are working hard and taking advantage of the great teachers we have.
- 8th Grade Girls Basketball Team won Brackett Tournament - Boys played really well

Principal's General Narrative:

All teachers are working diligently to get students prepared for the upcoming testing this spring. Tutorial sessions have started depending on department and teacher schedules. The past couple of weeks have been difficult but our students are coping well with all the circumstances. Spring sports are gearing up to start with track and tennis at the Junior High level. I look forward to a great spring.

Respectfully,

Christy Price
