

# IMPACT UPDATE

## NKN Family Resource

### FUNDING:

The North County Food Bank awards Neah Kah Nie Middle and High School a large donation of food every month to be put into our food bags we send home with students every Friday.

### IMPACT:

With this generous donation we are able to provide 90 bags of food every Friday for students to take home and have for the weekend. The NCFB organization has made a huge impact on our schools and we are grateful for their support.
