Professional Development/Grading/Work Days
<ul style="list-style-type: none"> • Preservice: Add 1 day in August for 4 days for PD. The other 18 hours are for preparation and collaboration. • Workdays: Add 1 day for all staff: Tuesday, Sept., 5th - replaces two half days for elementary, 1 day after Winter Break, 1 day at the semester break, 1 day at the end of the year. • Grading Days: 1 day for progress reports Nov. 3rd, 1 day at the end of the semester, 1 day for progress reports in April, 1 day in June for final grading period. We could maintain trimester language, but this would replace current system, and eliminate spring conferences. • Professional Development Days: We propose clustering days to provide extensive prep and PD time. <ul style="list-style-type: none"> ◦ We propose to cluster 6 PD/Pre days in the year. 2 week increments. We would add 2 paid floating days that honor additional time spent for preparation. ◦ The PD day clusters would be 24 total hours. The district would use 8 of the 24 hours, and use two half days for PD. (480 minutes district, 960 minutes Teacher preparation/collaboration, 1/3 to 2/3 ratio) with the additional 2 floating days for teachers that 8 more hours (480 minutes). ◦ We would ask that teachers direct at least 2 hours of PLC time to work with their team. ◦ District 120 minutes a month for staff meetings and other ongoing PD (December and June can be 60 minutes)
