Hello Mr. Little,

With a very Heavy Heart Unfortunately I will have to Leave Prairie View.
My Mother In Law is in the Hospital and when she gets out will need a Caregiver and I will have to be her Caregiver for sometime. I'm so very sorry to do this so unexpectedly. I truly loved working at Prairie View. I will come to turn in the lap top and door tag to open the doors this week. I truly appreciate you hiring me.

Thank You Megan Rynne-Tack
