

Superintendent's Update

Regular School Board Meeting

July 20th, 2021

Agenda

- Safe Learning Plan 2021-22 Update
- Operational Plan 2021-22 Update

Safe Learning Plan 2021-22

Safe Learning Plan 2021-22

Plans are subject to change but currently include:

- A return to five-day, in-person learning for all grades in September
- Continuing to follow COVID cleaning protocols
- Continuing to provide hand washing and sanitizing stations
- Mask required for students using district transportation
- Mask required for students 2 years old through 5th grade and staff working with those students inside ISD #709 buildings
- Vaccinations and testing for COVID-19 strongly recommended and encouraged, but not required. For staff and students who are symptomatic, however, we will be following the district decision tree
- Unvaccinated students and staff strongly encouraged to use masks inside school buildings

2021-22 Operational Plan

Operational Planning Overview:

- The 2021/22 Operational Plan is intended to provide a unified and focused approach to support our transition from education during the pandemic to a new and better normal for our students, families and staff.
- The Operational Plan will inform and lead into a longer range and continuous District Strategic Plan as has been prioritized by district stakeholders.

2021-22 Operational Plan

We are requesting a board workshop on August 12th, 13th or 18th to review the plan, measures, to set a schedule for progress monitoring, and to discuss board supports

Next Steps:
