### **State Testing: AK STAR and PEAKS**

PACE has been preparing for state testing, which will occur during the last week of March and into April. Our primary test days are March 28-April 2 and April 11-16. We include two Saturday School days to allow greater access to testing. We require our students to sign up for test sessions.

### **School Improvement**

The PACE accreditation review with Cognia is scheduled for April of 2022. The accreditation committee is meeting regularly to address the components of the review.

PACE staff continue to meet monthly to track progress towards school goals, further expand curriculum options, and develop ways to help our students and families.

### **Appreciations**

Thank you, Ron S, for your volunteer work at the MLC.
