

**School Board Meeting/
Workshop Date:**

May 9, 2011

Subject:

Elementary Parent Handbook 2011-12

Presenter:

Gail Feneis, Principal

SUGGESTED SCHOOL BOARD ACTION:

Report only – no recommended action (at this time). Action will be taken at the next school board meeting.

DESCRIPTION:

The attached Elementary Parent Handbook is used by all elementary schools. Each elementary school will add information that is relevant to their particular building (i.e., building specialist schedules, lunch schedules, etc.)

The only change made to this year's handbook is the section on latex balloons not being allowed in our schools (see page 17). This is a district-wide policy that was implemented this year.
