

SUBJECT: Consideration and possible approval of an annual professional services consulting agreement with Runoff Management Group, Inc. in the amount of \$53,190.

BACKGROUND: Per the City of Houston Drainage and Street Utility Ordinance No. 2011-254 adopted in 2011, the district must provide a Storm Water Quality Plan under the direction of a Professional Engineer. Runoff Management Group, Inc. has performed these services to PISD since 2012 and is recommended for renewal.

Professional services below are required at the following nine PISD sites: Bush ES, Hancock ES, Milstead MS, Schneider MS, Roberts MS, Queens IS, Dobie 9 HS, CTHS and the MO&W Facility.

- Monthly inspections and maintenance
- Annual Services including: inspections, documentation/photographs, engineered certification, cleaning and permitting.

Total Consulting Fees: \$53,190

FINANCIAL IMPLICATIONS: Funding is provided by the Facilities and Construction Department budget.

RECOMMENDATION: We recommend approval of an annual professional services consulting agreement with Runoff Management Group, Inc. in the amount of \$53,190.
