Subject: Multidistrict Agreement Renewal 2023-2026

Description: Attached is a recommendation for the renewal of the Multidistrict Agreement between Browning Elementary and Browning High School. The agreement can be renewed every three years for a duration of three years. The Multidistrict Agreement has not been renewed since 2017. The district has funds in an Interlocal Agreement Fund, in order to maintain that fund a Multidistrict Agreement must be in place.

This allows the district to create a savings account by moving unused monies into the Interlocal Agreement Fund rather than reappropriate the cash and drive down their state support. This is a valuable tool in the fact that ESSER funds may have created remaining monies in some of the budgeted funds.

I have made one adjustment to the agreement from previous years and that is that any expenditures out of the fund will require Board of Trustee approval.
