Re: Farmington Municipal Schools RFP 2026-02 Architectural and Engineering Design Services

There were 4 respondents to the RFP. The review committee consisted of 3 District Personnel. Each respondent was evaluated on qualifications, design, experience, fee proposal, as well as references. The committee agreed to use all 4 of the respondents in relation to their areas of expertise.

Recommendation:

Administration recommends the Superintendent and Board of Education approve the selection of AG Solutions, FBT, GSA and Reynolds & Associates for Architectural and Engineering Services for Farmington Municipal Schools.
