Memo

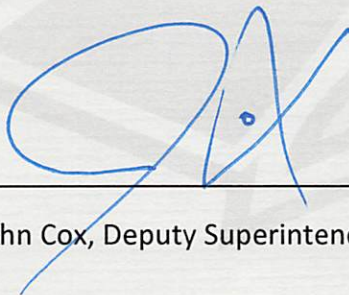

To: Samuel Mijares, Superintendent of Schools
From: Mario Escobar 
Date: August 26, 2021
Re: Recognition of Ms. Alejandra Martinez

We want to recognize Ms. Alejandra Martinez for being chosen this school year, 2020-2021 as a 2021 Grosvenor Teacher Fellowship with Lindblad Expeditions and the National Geographic Society and 2021 Ernest and Sarah Butler Awards for Excellence in Science Teaching.

The Grosvenor Teacher Fellowship (GTF) is a professional development opportunity for pre-K-12 educators made possible by a partnership between Lindblad Expeditions and the National Geographic Society. An annual competitive application process is used to select educators and host them aboard Lindblad Expeditions' voyages for a life-changing, field-based experience. Ms. Alejandra Martinez was one of only fifty teachers chosen for this prestigious and wonderful opportunity.

The 2021-Ernest and Sarah Butler Awards for Excellence in Science Teaching were created in 1990 to honor elementary, middle, and high school teachers who share their energy and enthusiasm for science through creative and innovative methods to cultivate student interest in medicine and science. Ms. Alejandra Martinez was chosen for the middle school science section of the award.

We congratulate Ms. Alejandra Martinez for her dedication to not only science, but to education, her students and campus. We are extremely proud of her and celebrate her accomplishments. She has proven to be a great ambassador for Memorial and Eagle Pass ISD.

AUG 26 2021
