

- I) Call to order: Meeting called to order at 4:45 pm
- II) Roll Call of LSAC Members: Jaclyn, Maxine, Toni, Tisha
- III) Introduction of visitors: Katie, Augustine, Julia, Josh and Denali
- IV) Approval of agenda: Jalyn made a motion to approve agenda. 2nd by Maxine. All in favor, motion carried.
- V) Approval of previous minutes: Motion made by Maxine to approve previous minutes. 2nd by Jaclyn. All in favor, motion carried.
- VI) Student Reports: None. Council would like to encourage student government participation. Council would like to remind students and teachers that there will be a carnival in march, and a new student store food order may need to be placed soon.
- VII) Old business:
 - 1) Carnival: Village may ask to change the dates of the Inservice to accommodate schedules for everyone to be able to participate in carnival. Village is going to have a carnival meeting tomorrow during working hours and they will get back to the lsac shortly after.
 - 2) Graduation: One graduation has already happened. It was a successful event. We may have 3 more students graduating, 2 for sure by this spring. Dates for graduation needs to be picked asap. As students get out of school on May 2nd, and the last week of April is dedicated to CTE and there is testing. The best date to due a graduation would be April 26th. Please have parents input and have graduation planning and ordering done soon.
- VIII) New Business:
 - 1) Weather closures/delays: Online school should be an option for days when the weather is too bad to leave houses. Not every student does online classes but home work or packets should be made a head of time, in case school is closed. There is currently no limit on how hard the wind are and school is closed or if its too snowy or icy. If students make it to school it is ok to continue school, but maybe a text, phone call or something other than just a facebook post about school should be put out. Wednesday is suppose to be 60 mph winds we may need to close school then.
 - 2) Jan. 12 potlatch/fundraiser: Back to school potluck. Student store is asking for baked goods to raffle off or do a cake walk. Wind may cancel school if it is still blowing hard on Friday. We can move the potluck to Saturday. Students have planned a few things, and will open their store.
 - 3) Budget short falls: LPSD put out a slide show, displaying where the budget is short and why. Curretnly we are seeing that affect our school with no food on the kitchen shelves. Holly is doing her best to keep up and make lunches happen with the little bit of food she has. Council suggests that LPSD look into hiring a grant writer to find other funds to help keep the schools running and well stocked. Josh is going to a principal's meeting soon and he will bring it up then.
- IX) Correspondence: None

- X) Principal's report: Josh: Next CTE deadline is 1/26. Students need to have things submitted sooner than the 26th assure their admittance. Basketball starts this month, right now Maxine is declining the coaching position. We will need a coach. Next week we will have Julie and Emily come out and work with the older kids, parents are encouraged to come down and participate. Josh would like to introduce Julia and Augustine to the council. Julia decided to stay and take over Linda's class and Augustine will be helping Katie class. The council would like to have Julia's class make a thank you card to Linda for her wonderful teaching we will surely miss her. During the Christmas break, there was a strong windstorm that blew open a door, this caused a water pipe to freeze. The door was closed and the pipe was thawed, water was restored back to the school and apartments quickly. NO permanent damage was done to the school.
- XI) Teacher Reports:
- 1) Julia: Is very excited about teaching the kids. Working with them and doing great. They are currently focused on hands on learning as most of the students do better with hands on learning. She would like to continue Linda's art portion of school but will need help. Tisha offered help if ever needed.
 - 2) Katie: Helping JW with Student government. Clarise has made hoodies and beanies that sold and should be here soon. She signed up her class for Yupik languages classes. They have been doing social studies and some kids are doing counseling with Denali and they love it. Some of the other kids who do not do counseling are asking to have a turn to visit with Denali. Katie has been working on updating the schools group photos and trying to gather the last few years of group photos. She is also looking into who is going to do school photos for students this year.
 - 3) Augustine Happy to be here. His family threw him a going away party and they all had their Meshik wolves hoodies. He is excited to see life here and work with the kids.
- XII) Community Comment: Council would like to see more fundraisers out of the student government. Lsac will meet with student government tomorrow at 230.
- XIII) Informational: None
- XIV) Future Agenda items: Graduation, Carnival, Budget, weather, photographer, Meeting days.
- XV) Next meeting date: Feb 6th at 430pm
- XVI) Adjournment time: Max makes a motion to adjourn. 2nd by Tisha. All in favor, motion carried. Adjourned at 5:38 pm.
