Re: Purchase of Bus Cameras – 2021 Bond

I would like to discuss the purchase of bus cameras to replace the current camera system on our buses at the next Committee of the Whole meeting on Monday, August 14, 2023. I am recommending this purchase from the low responsible bidder, REI, Omaha, Nebraska, in the amount of \$438,000, which includes contingency.

This purchase will upgrade the district's surveillance camera system in a variety of ways and will replace the cameras on all buses in the fleet. This is a planned purchase and will be funded from the 2021 Bond.

Please let me know if there are any questions. Thank you.
