RE: **COMPENSATION REPORT 2018-2019**

A compensation report is required each year by Public Act 097-0609. Every employer participating in the Illinois Municipal Retirement System must put on its website the total compensation package for each IMRF employee having a total compensation package that exceeds \$75,000 per year. This report also includes not only IMRF members but also all staff members who have a total compensation package of over \$75,000 per year. This report will be posted to our website before October 1, 2018.
