## Instruction

### Curriculum Content

The curriculum shall contain instruction on subjects required by State statute or regulation. This includes but may not be limited to the following:

In all grades, physical education must be taught including a developmentally planned and sequential curriculum that fosters the development of movement skills, enhances health-related fitness, increases students' knowledge, offers direct opportunities to learn how to work cooperatively in a group setting, and encourages healthy habits and attitudes for a healthy lifestyle. Unless otherwise exempted, all students are required to engage daily during the school day in a physical education course with such frequency as determined by the Board after recommendation from the Superintendent, but at a minimum of three days per five-day week daily during the school day in a physical education course. For exemptions and substitutions, see policy 7:260, *Exemption from Physical Education*.

ADOPTED: ~~January 18, 2017~~

**Commented [APowell1]:** Updated in response to P.A. 100-465

The phrase "after recommendation by the Superintendent" is optional. If a superintendent does not bring this topic to the board for discussion, the board may not have a trigger to make the determination.

**OPTION:** If the Board engages in block scheduling, the second-to-last sentence will be replaced with the following: "Unless otherwise exempted, all students are required to engage with such frequency as determined by the Board, but at a minimum of three days per five-day week, during the school day, except on block scheduled days, in a physical education course."
