SECTION I: ADULT EDUCATION-WIDE POLICIES AND PROCEDURES

Registration

Kent ISD Adult Education is a first come, first served program based on classroom and teacher capacity. Registration begins in August and ends in April. To register, students will need to go to our website to fill out the registration form and choose an in-person orientation date. Orientation is a requirement and cannot be done from home. Orientation will take 90 minutes (about 1 and a half hours) to complete and includes confirmation of registration forms and a reading assessment test.

Orientation

Orientation is a requirement for all students before they start class. The orientation will let you know what to expect when you in are classes, meet members of the adult education team, and will set you up for a successful start of your program. The process and/or times for the orientation will be presented to you after your registration is complete.

Attendance

Kent ISD Adult Education is an in-person, attendance-based program. Students are to arrive at their classes before the start of class and stay through the end of class. If a student is absent for a day, they must contact their teacher to excuse their absence. If a student is absent for an extended period, they will need to be in communication with their teacher. If the student's absence exceeds three weeks, they will need to relinquish their spot in their classes until they can return to class. Returning to class is not a guarantee, and students may be put on a waitlist until a spot is available.

Arriving and Leaving Campus

Kent ISD Adult Education staff and administration are responsible for students' well-being while attending class. Kent ISD Adult Education's campuses are closed campuses. That means, during non-instructional time, students are not permitted to loiter on campus. The current scheduled times for instruction are:

Morning Classes 9:00 AM – 11:45 AM

Afternoon Classes 12:15 PM – 3:00 PM

Night Classes 5:15 PM – 8:45 PM

For most locations, the **exterior** building doors unlock to receive students at various times throughout the day:

8:00 AM – 3:00 PM from Monday through Friday

4:45 PM – 6:00 PM from Monday through Wednesday

For the safety and security of our campus, **the interior doors will remain locked at all times**. Students will be allowed in through the interior doors by security or office staff within 15 minutes before their scheduled class start time.

Students will not have access to the building prior to these times. Students are asked to leave campus immediately after their scheduled class time is over.

CASAS eTesting

Upon registering, all students must complete a CASAS Reading assessment test. The test is a state mandated test, which allows administrators to place students into their proper classes. Once the CASAS

test is completed, the score determines which classes the student is ready for. The breakdown of classes is determined by administration. CASAS tests are expected to be taken seriously.

For a non-native English-speaking student to enroll into GED classes, they are required to obtain a 215 or higher GED CASAS reading score. For a native English speaker to enroll into GED classes, they are required to obtain a 210 or higher on CASAS test score.

For non-native English-speaking students to enroll in ESL (English as a Second Language) classes, they are required to score below a 239 ESL CASAS Reading score. If they score above 239, they may take a CASAS Listening test to see if they are eligible for the program. The student must score below a 232 listening score to be eligible for the program. If an individual graduates out of both reading and listening, they will be referred to a different program that will be more beneficial to their needs.

All students must take a CASAS Reading posttest after 40 hours of class instruction. A Reading posttest is a requirement and cannot be opted out of. The test scores coincide with the program's funding and assist the program in staying open for current and future students. If a student refuses to take a Reading posttest, they will no longer be able to attend classes. The CASAS posttest should be taken seriously, failure to take the test seriously will result in inaccurate results and continued deficient performance may result in being excused from the program.

If a student achieves a score that allows them to move up to the next class in their CASAS Reading posttest, they will be required to begin that class when administration says their spot is available. If a student refuses to move to the next class, they will no longer be able to attend classes.

GED Expectations

Our GED (General Educational Development) and ABE (Adult Basic Education) prep classes are designed to help students pass the four GED subject tests (collectively referred to as “the GED test”). The tests include Math, Science, Social Studies, and Language Arts. Upon registering and completing a CASAS reading assessment test, students will be placed in ABE or GED classes. Both classes teach towards the GED test but are taught at a different pace.

ABE is the foundational class for GED classes. Students placed in this class read below a 9th grade reading level and will gain skills in basic reading and math needed to move into GED classes.

GED is the practical education class for learning/refreshing skills necessary for passing the GED tests. Students placed in this class read above a 9th grade reading level and will learn all four subjects needed to pass the GED test.

Each test must be taken in a GED official testing center. Both our Wyoming and Grand Rapids locations are available for GED testing to all of our students.

All ABE/GED students will sign up for a MyGED account once they start class.

Within our funding, students will be given free practice tests for each subject in the GED. The practice test will determine when students are ready to apply for a voucher from the state to take their official test. Free vouchers for tests are issued to students who achieved a 145-competency score on their

practice test. Each student is allowed ***one free voucher*** for each one of their GED tests, courtesy of Kent ISD.

If a student does not pass one of their GED tests on the first attempt, they may be given a \$10 retake voucher. Students are required to pay the \$43.50 for a third attempt.

Students are given three attempts at a GED test, before they must wait 60 days (about 2 months) to retake the test after which students will be required to pay the \$43.50 for any additional attempts at the test.

If a student is not passing tests or making a gain within the GED classes a referral to another program that will fit the students' needs may be necessary.

ESL Expectations

Our ESL classes are designed to help non-native English speakers to learn English. The classes are set up in tiers, starting with beginner level English to intermediate-high level English. Class enrollment is based upon the CASAS Reading assessment test. Once a student completes the CASAS Reading assessment, the administration team will determine which class the student is ready for.

After 40 hours of instruction, the student will test again and, if the test determines they are ready for the next level, then they are eligible to move up to a higher-level class.

Wave Card Expectations

Wave Cards may be distributed to students who need bus transportation. Each card contains enough funds to transport students for one month. Every month, students will be required to check their card into the office for more funds. The card is meant for students who require bus services every day.

If a student is not using their Wave Card funds or they are no longer in attendance, the card will be turned off. In such instances, the student work with administration to determine if they are eligible to have the card reactivated.

Students are responsible for the Wave Card provided to them. If the Wave Card is lost, students will be given one replacement card. If the card is lost a second time, students will need to pay a \$5 fine. If the card is lost a third time, students will no longer be eligible for Wave Card services.

At the end of the year, or when a student no longer plans to return to school, the Wave Card will need to be returned to the main office. If a card is not returned, the student may forfeit their right to a Wave Card in the future.

GoBus! Expectations

Students eligible for the GoBus! may be able to receive GoBus! tickets from the main office. The GoBus! is meant for students with disabilities. To determine eligibility, students must first have a meeting with

the administration or a designated representative. Once approval has been given, students are eligible for one sheet of GoBus! tickets per day. The tickets are only meant to go to and from school. Any other use for the ticket outside of school will result in a loss of privileges of receiving a GoBus! ticket from the office.

Follow-Up

Upon registration, students sign a form stating they will receive a phone call from us after they have completed classes with us. This will happen either after the student has been dropped or upon completion of ESL or GED. Follow-up phone calls are made by the entire staff of the Kent ISD and are a requirement by the State of Michigan for our program funding.

Transcripts

Upon registration, students entering GED classes must fill out a transcript request form. Under Kent ISD Adult Education funding guidelines, we are required to collect proof of no diploma/graduation from the student in order to pursue and to achieve their GED. The form requires the last high school the student attended, approval of sending the request form out to the previous high school listed, as well as a signature from the student. Failure to complete the form will disallow the student from starting classes with Kent ISD Adult Education.

Kent ISD Adult Education does not carry transcripts for student use at the school. Students must seek transcripts from the previous high school they attended. When a student completes their GED, the Kent ISD Adult Education does not carry transcripts for them. Students must go to their MyGED account to gain access to their transcripts.

Age Waiver Form

The Kent ISD Adult Education program is for students 18 years of age and older. In rare circumstances, students of 17 years of age may be able to attend classes with us. For a student who is 17 to start Adult Education classes, they first must be referred to the program by their previous school of attendance or by a parole officer. The student must complete an HSE (High School Equivalency) Age Waiver Form Request, and have it approved by the state. Part of the process of receiving approval from the state is having a valid photo ID, passport or birth certificate, and creating a MyGED account.

The Kent ISD Adult Education program is meant for adults to obtain their GED, so when an underage student starts classes with Kent ISD Adult Education, they will be treated as an adult. ***Only the student may receive information about their progress, parents/guardians may not receive any information about student progress or attendance.***

CTE/IELCE

CTE (Career Technical Education) classes are offered free of charge for all our GED students. A student must be 18 or older as of July 1 of that program year. Most CTE classes take place at Kent Career Technical Center ("KCTC") on the East Beltline. Kent ISD Adult Education offers these classes twice a year but are subject to the availability of the teachers, enrollment, and funding. All students must go through an application process to sign up for these free classes. ***If chosen for a selected CTE course, students are expected to attend both their GED classes and their CTE classes.*** Failure to do so may result in being dropped from class.

CTE Program Navigator: Jessie Comden (jessiecomden@kentisd.org)

IELCE (Integrated English Literacy and Civics Education) classes are offered free of charge for all our ESL students. All students must go through an application process to sign up for these free classes. ***If chosen for a selected course, students are expected to attend both their ESL classes and their IELCE classes.***

IELCE Program Navigator: Angela Elenbaum (angelaelenbaum@kentisd.org)

Student Advocacy

Student Advocacy services are provided at both our Wyoming and Grand Rapids locations. To meet with a student advocate, please make an appointment either by email or face to face. The student advocate may accept walk-ins, if time allows, but it is not a guarantee. Our student advocate can assist with finding transportation, housing, day care, IEP services (18-26 years old), GED accommodations, food assistance, etc. Please come with any necessary information asked of you for any meeting.

Community Outreach Partners

Kent ISD Adult Education partners with local businesses to come in and meet with students for possible job opportunities. Employers will come to both Wyoming and Beckwith to introduce their company, and possible employment opportunities.

Community Outreach Coordinator: Shanna Hogan (shannahogan@kentisd.org)

Classroom Behavior

Kent ISD Adult Education strives to create a safe and welcoming learning environment. Students are expected to respect their teachers and their peers while on school property.

While phones are allowed in the classroom, students are expected to turn them on silent and have them respectfully stowed away while class is in session.

Eating and drinking is allowed in classes but should not interrupt classroom learning.

Tardiness for a valid reason is allowed, but students should be respectful of on-going classes.

Student Code of Conduct

The Student Code of Conduct is meant to be a guide and is subject to the discretion of the administration and the School Board.

Administration will, as required or permitted by state law, always consider the use of restorative practices as an alternative to, or in addition to, suspension or expulsion. Nothing in the following table limits the District's ability to impose more or less severe disciplinary consequences depending on the situation's unique circumstances and the following factors:

1. The student's age;
2. The student's disciplinary history;
3. Whether the student has a disability;
4. The seriousness of the behavior;
5. Whether the behavior posed a safety risk;
6. Whether restorative practices will be used to address the behavior; and
7. Whether a lesser intervention would properly address the behavior.

Nothing in this handbook limits the District's authority to discipline a student for conduct that is inappropriate in school, but that is not specifically provided in this table. Depending on the circumstances of a particular situation, separate extracurricular sanctions may be imposed, in accordance with the applicable handbook, rules, or Board policy.

Retaliation does not include a requirement that a District employee participate in a Grievance Procedure.
16. "Supportive Measures" means individualized measures offered as appropriate, as reasonably available, without unreasonably burdening a Complainant or Respondent, not for punitive or disciplinary reasons, and without fee or charge to the Complainant or Respondent to:

Race includes traits historically associated with race, including, but not limited to, hair texture and protective hairstyles. 3115C Supportive Measures

A. Supportive Measures

The District will offer and coordinate Supportive Measures, as appropriate, for Complainants, Respondents, and others whose access to the District's education program and activity was impacted by alleged Unlawful Discrimination. Supportive Measures are designed to restore or preserve a person's access to the District's education program or activity or provide support during the District's Grievance Procedure and informal resolution process. Supportive Measures are available at any time, including before, during, and after the Grievance Procedure or Informal Resolution Process.

Supportive Measures must not unreasonably burden any Party.

B. Students with Disabilities

3115D Informal Resolution

In lieu of resolving a Complaint through the Grievance Procedure, and if offered by the District, the Parties may elect to participate in an informal resolution process. If the Complaint involves Title IX Sexual Harassment, the informal resolution process in Policy 3118 applies. Informal resolution is not available to resolve a Complaint that includes allegations that an employee engaged in sex-based harassment of a student, or when such a process would conflict with Federal, State, or local law.

Informal resolution does not require a full investigation and may encompass a broad range of conflict resolution strategies, including, but not limited to, arbitration, mediation, or restorative justice.

3115E *Grievance Procedure and Remedies*

A. Grievance Procedure

1. Generally

The District has adopted the following Grievance Procedure that provides for the prompt and equitable resolution of Unlawful Discrimination, including harassment and retaliation, Complaints, excluding Title IX Sexual Harassment complaints. This Grievance Procedure will be used to investigate and resolve Complaints of Unlawful Discrimination, including harassment and retaliation, between and among students, employees, volunteers, contractors, and Board members.

The District will treat Complainants and Respondents equitably.

The District requires that any individual serving in a Key Role not have a conflict of interest or bias for or against Complainants or Respondents generally or an individual Complainant or Respondent. The District presumes that the Respondent is not responsible for the alleged Unlawful Discrimination until a determination is made at the conclusion of the Grievance Procedure.

2. Grievance Procedure Timeframes

The District anticipates that most investigations will be concluded within 60 days. Investigations that involve several parties or witnesses, or investigations that are more complex, may exceed 60 days.

3. Confidentiality

The District will take reasonable steps to protect the privacy of the Parties and witnesses during its Grievance Procedure. These steps will not restrict the ability of the Parties to obtain and present evidence, including consulting with their family members, confidential resources, or advisors; or otherwise prepare for or participate in the Grievance Procedure.

4. Evidence Considerations

The Decisionmaker will objectively evaluate all relevant evidence. Credibility determinations will not be based on a person's status as a Complainant, Respondent, or witness.

5. Complaint Consolidation

The District may consolidate Complaints when the allegations arise out of the same facts or circumstances.

6. Notice of Allegations

Upon receiving a Complaint, the applicable Coordinator will notify the Parties of the following:

- a. The Grievance Procedure and any informal resolution process;
- b. Sufficient information available at the time to allow the Parties to respond to the allegations, including the identities of the Parties involved in the incident(s), the conduct alleged to constitute Unlawful Discrimination, and the date(s) and location(s) of the alleged incident(s); and
- c. Retaliation is prohibited.

If, during an investigation, the District decides to investigate additional allegations of Unlawful Discrimination by the Respondent toward the Complainant that are not included in the notice provided or that are included in a Complaint that is consolidated, the District will notify the Parties of the additional allegations.

7. Investigation

The District will ensure an adequate, reliable, and impartial Complaint investigation. The burden is on the District - not on the Parties - to conduct an investigation that gathers sufficient evidence to determine whether Unlawful Discrimination occurred.

The Parties will be provided an equal opportunity to present fact witnesses and other inculpatory and exculpatory relevant evidence.

Throughout the investigation, the Investigator must determine what, if any, facts remain in dispute. If dispositive facts are not reasonably in dispute (e.g., based on Party admissions, irrefutable evidence), further investigation is not required.

8. Determination

Following the investigation and evaluation of the evidence, the Decisionmaker will:

- a. Use the preponderance of the evidence standard to determine whether Unlawful Discrimination occurred.
- b. Notify the Parties in writing of the determination whether Unlawful Discrimination occurred, including the rationale for such determination and the procedures and permissible bases for the Complainant and Respondent to appeal, if applicable.
- c. Comply with this Grievance Procedure before imposing any disciplinary sanctions against a Respondent.

9. Remedies

If there is a determination that Unlawful Discrimination occurred, the applicable Coordinator will, as appropriate:

- a. Coordinate the provision and implementation of remedies to a Complainant and other people the District identifies as having had equal access to the District's education program or activity limited or denied by Unlawful Discrimination;
- b. Coordinate the imposition of any Disciplinary Sanctions against a Respondent; and
- c. Take other appropriate prompt and effective steps to ensure that Unlawful Discrimination does not continue or recur within the District's education program or activity.

10. False Statements

A person who knowingly files a false Complaint or makes a materially false statement is subject to discipline, including discharge from employment or expulsion.

Legal authority: 20 USC 1400 et seq., 1681 et seq.; 29 USC 206 et seq., 621 et seq., 701 et seq., 794, 2601 et seq., 6101 et seq.; 38 USC 4301 et seq.; 42 USC 1983, 2000d et seq., 2000e et seq., 2000ff et seq., 6101 et seq., 12101 et seq.; 29 CFR 1604.1 et seq., 1635; 34 CFR 106.1, et seq.; MCL 37.1101 et seq., 37.2101 et seq.

3115F *Complaint Dismissal and Appeals*

A. Complaint Dismissal

The District may dismiss a Complaint if:

1. The District is unable to identify the Respondent after taking reasonable steps to do so;
2. The Respondent is not participating in the District's education program or activity and is not employed by the District;
3. The Complainant voluntarily withdraws any or all of the allegations in the Complaint and the applicable Coordinator declines to initiate a Complaint; or
4. The District determines the conduct alleged in the Complaint, even if proven, would not constitute Unlawful Discrimination.

Upon dismissal, the District will promptly notify the Complainant of the basis for the dismissal. If the dismissal occurs after the Respondent has been notified of the allegations, the District will also notify the Respondent of the dismissal and the basis for the dismissal promptly following notification to the Complainant, or simultaneously if notification is in writing.

Upon dismissal, the District will take prompt and effective steps, as appropriate, through the applicable Coordinator, to ensure that Unlawful Discrimination does not continue or recur within the District's education program or activity. The District will offer Supportive Measures to the Complainant as appropriate. The District will also offer Supportive Measures to the Respondent as appropriate if the Respondent has been notified of the Complaint allegations.

3118 Title IX Sexual Harassment

Consistent with Policy 3115, the District prohibits unlawful sex discrimination, including harassment and retaliation, in any of its education programs or activities in accordance with Title IX of the Education Amendments of 1972 and its implementing regulations.

This Policy addresses allegations of Title IX sexual harassment that occurred on or after August 14, 2020 unless the District previously investigated the allegations under a different policy pursuant to the now-vacated Title IX 2024 regulations. Allegations of discrimination, harassment, or retaliation not covered by this Policy should be addressed under the District's applicable non-discrimination or anti-harassment policies. Allegations alleging both Title IX sexual harassment and other forms of Unlawful Discrimination and Unlawful Harassment (e.g., race, age, disability) Complaints that include allegations of Title IX sexual harassment may be investigated under this Policy or bifurcated and investigated pursuant to the applicable Grievance Procedure under Policies 3115-3115H. Investigating other forms of discrimination, including harassment and retaliation, pursuant to this Policy will fulfill the District's investigation requirements under Policies 3115-3115H, 4104, and 5202, but nothing in this paragraph limits the District's right to determine at any time that a non-Title IX allegation should be addressed under Policies 3115-3115H, 4104 or 5202 or any other applicable Policy.

The Board directs the Superintendent or designee to designate one or more employees who meet the training requirements in Section M of this Policy to serve as the District's Title IX Coordinator(s). The Title IX Coordinator will designate an Investigator, Decision-Maker, and Appeals Officer, if applicable, for each Formal Complaint made under this Policy. If a Formal Complaint is made under this Policy against the Title IX Coordinator, the Board President will designate the persons who will serve as the Investigator, Decision-Maker, and Appeals Officer and will work with District administrators to ensure that all other requirements of this Policy are met.

The Investigator, Decision-Maker, Appeals Officer, and Informal Resolution Facilitator cannot be the same person on a specific matter, and the persons designated to serve in those roles may or may not be District employees. Any person serving as the Investigator, Decision-Maker, Appeals Officer, or Informal Resolution Facilitator must meet the training requirements in Section M of this Policy.

Inquiries about Title IX's application to a particular situation may be referred to the Title IX Coordinator(s), the Assistant Secretary for Civil Rights of the United States Department of Education, or both.

 - B) Sodomy: Oral or anal sexual intercourse with another person, without the consent of the victim, including instances where the victim is incapable of giving consent because of his/her age or because of his/her temporary or permanent mental or physical incapacity.
 - C) Sexual Assault With An Object: To use an object or instrument to unlawfully penetrate, however slightly, the genital or anal opening of the body of another person, without the consent of the victim, including instances where the victim is incapable of giving consent because of his/her age or because of his/her temporary or permanent mental or physical incapacity.
 - D) Fondling: The touching of the private body parts of another person for the purpose of sexual gratification without the consent of the victim, including instances where the victim is incapable of giving consent because of his/her age or because of his/her temporary or permanent mental or physical incapacity.

- E) Incest: Nonforcible sexual intercourse between persons who are related to each other within the degrees wherein marriage is prohibited by law.
- F) Statutory Rape: Nonforcible sexual intercourse with a person who is under the statutory age of consent.
- ii. "Dating violence" means violence committed by a person who is or has been in a romantic or intimate relationship with the Complainant. The existence of such a relationship is based on a consideration of the length of the relationship, the type of relationship, and the frequency of interaction between the persons involved in the relationship.
- iii. "Domestic violence" means felony or misdemeanor crimes of violence committed by a current or former spouse or intimate partner of the Complainant, person with whom the Complainant shares a child, person who is cohabitating with or has cohabitated with the Complainant as a spouse or intimate partner, person similarly situated to a spouse of the Complainant under the domestic or family violence laws of Michigan; or any other person against an adult or youth Complainant who is protected from that person's acts under the domestic or family violence laws of Michigan.
- iv. "Stalking" means engaging in a course of conduct directed at a specific person that would cause a reasonable person to (1) fear for the person's safety or the safety of others; or (2) suffer substantial emotional distress.
- 2. "Actual Knowledge" means notice of sexual harassment or allegations of sexual harassment to the District's Title IX Coordinator or any District employee. Imputation of knowledge based solely on vicarious liability or constructive notice is insufficient to constitute actual knowledge. This standard is not met when the only District employee with actual knowledge is the Respondent.
- 3. "Appeals Officer" is the person designated by the District to decide appeals of a dismissal or determination of responsibility for matters investigated under this Policy. The Appeals Officer may not be the same person as the Investigator, Title IX Coordinator, Decision-Maker, or person designated to facilitate an informal resolution process on a specific matter.
- 4. "Complainant" is a person who is alleged to be the victim of conduct that could constitute Title IX sexual harassment.
- 5. "Consent" means a voluntary agreement to engage in sexual activity by a person legally capable of consenting. Someone who is incapacitated cannot consent. Past consent does not imply future consent. Silence or an absence of resistance does not imply consent. Consent to engage in sexual activity with one person does not imply consent to engage in sexual activity with another. Consent can be withdrawn at any time. Coercion, force, or threat of either invalidates consent. Sexual conduct or relationships between District

employees, volunteers, or contractors and students, regardless of age or consent, are prohibited.

6. "Day," unless otherwise indicated, means a day that the District's central office is open for business.
7. "Decision-Maker" is the person designated by the District to review the investigation report and provide a written determination of responsibility that provides the evidentiary basis for the Decision-Maker's conclusions. The Decision-Maker may not be the same person as the Investigator, Title IX Coordinator, Appeals Officer, or person designated to facilitate an informal resolution process on a specific matter.
8. "Education Program or Activity" means any location, event, or circumstance over which the District exercised substantial control over both the Respondent and the context in which the harassment occurred.
9. "Formal Complaint" means a written document or electronic submission signed and filed by a Complainant or signed by the Title IX Coordinator alleging sexual harassment against a Respondent and requesting that the District investigate the sexual harassment allegation.
10. "Grievance Process" is the process by which the District investigates and determines responsibility for Formal Complaints.
11. "Investigator" is the person designated by the District to investigate a Title IX Formal Complaint. The Investigator cannot be the same person as the Decision-Maker, Appeals Officer, or person designated to facilitate an informal resolution process on a specific matter. The Title IX Coordinator may serve as the Investigator on a particular investigation, unless the Title IX Coordinator has a conflict of interest or bias.
12. "Report" means an account of alleged Title IX sexual harassment made by any person (regardless of whether the reporting party is the alleged victim).
13. "Respondent" is a person who has been reported to be the perpetrator of conduct that could constitute Title IX sexual harassment.
14. "Supportive Measures" are non-disciplinary, non-punitive, individualized supports offered and implemented by the Title IX Coordinator as appropriate, as reasonably available, and at no-cost to the Complainant and the Respondent before or after the filing of a Formal Complaint or when no Formal Complaint has been filed. Supportive measures are designed to restore or preserve equal access to the District's education program or activity without unreasonably burdening the other party, including measures designed to protect the safety of all parties or the District's educational environment, or deter sexual harassment.

15. "Title IX Coordinator" is the person(s) designated by the District to coordinate the District's Title IX compliance. The Title IX Coordinator may not be the same person as the Appeals Officer or Decision-Maker on any matter. A person not serving as a Title IX Coordinator in a particular matter is not disqualified from serving in another role in that matter. The Title IX Coordinator may also serve as the Investigator or person designated to facilitate an informal resolution process on a particular investigation, unless the Title IX Coordinator signed the Formal Complaint.

B. Posting Requirement

The Title IX Coordinator's contact information (name or title, office address, electronic mail address, and telephone number), along with the District's Title IX nondiscrimination statement, must be prominently posted on the District's website and in any catalogs or handbooks provided to applicants for admission or employment, students, parents/guardians, and unions or professional organizations with a collective bargaining or professional agreement with the District.

The District will provide notice of this Policy to all applicants, students, parents/guardians, employees, and unions or professional organizations with a collective bargaining or professional agreement with the District by prominently posting this Policy on its website and referencing this Policy in its handbooks, which will include the Title IX Coordinator's name or title, office address, electronic mail address, and telephone number.

C. Designation of Title IX Coordinator

All Coordinators, including the Title IX Coordinator, are identified in Policy 3115B.

D. Reporting Title IX Sexual Harassment:

A person may make a report of sexual harassment or retaliation at any time. Reports may be made in person, by mail, by telephone, or by electronic mail, using the contact information listed for the Title IX Coordinator, or by any other means that result in the Title IX Coordinator receiving the person's verbal or written report.

Any District employee who receives a report of sexual harassment or has actual knowledge of possible sexual harassment must convey that information to the Title IX Coordinator by the end of the next day.

Any other person who witnesses an act of sexual harassment is encouraged to report it to a District employee and may do so anonymously. No person will be retaliated against based on any report of suspected sexual harassment or retaliation.

E. General Response to Sexual Harassment

1. District's Obligation to Respond without Deliberate Indifference

Upon actual knowledge of Title IX sexual harassment, the Title IX Coordinator must respond promptly in a manner that is not deliberately indifferent. The District will be deemed to be deliberately indifferent only if its response to sexual harassment is clearly unreasonable in light of the known circumstances.

If the Title IX Coordinator receives a report of sexual harassment and the Complainant does not file a Formal Complaint, the Title IX Coordinator must evaluate the information and determine whether to sign and file a Formal Complaint. If the Title IX Coordinator determines not to sign and file a Formal Complaint, the Title IX Coordinator must address the allegations in a manner that is not deliberately indifferent.

2. Response to Report of Title IX Sexual Harassment

Upon receipt of a report of sexual harassment, the Title IX Coordinator must promptly contact the Complainant to discuss the availability of supportive measures, consider the Complainant's wishes with respect to supportive measures, inform the Complainant of the availability of supportive measures with or without the filing of a Formal Complaint, and explain to the Complainant the process for filing a Formal Complaint.

3. Formal Complaint Filed

Upon the receipt of a Formal Complaint, the District must follow the Grievance Process in Section F of this Policy. A Formal Complaint may be submitted using a designated Title IX Sexual Harassment Formal Complaint Form.

4. Equitable Treatment

The District will treat the Complainant and Respondent equitably throughout the Grievance Process, which may include offering supportive measures as described in Subsection E(6) of this Policy.

5. Documentation and Recordkeeping

The Title IX Coordinator will document all sexual harassment reports and all incidents of sexual harassment that the Title IX Coordinator receives or personally observes.

The District will retain this documentation in accordance with applicable record retention requirements in Section N of this Policy.

6. Supportive Measures

After receiving a report of Title IX sexual harassment, the Title IX Coordinator must promptly contact the Complainant to discuss the availability of supportive measures, with or without the filing of a Formal Complaint. If the District does not provide a Complainant with supportive measures, then the Title IX Coordinator must document the reasons why such a response was not clearly unreasonable in light of the known circumstances.

The District may provide, as appropriate, non-disciplinary, non-punitive individualized services to the Complainant or Respondent before or after the filing of a Formal Complaint or when no Formal Complaint has been filed.

Supportive measures should be designed to restore or preserve equal access to the District's education program or activity without unreasonably burdening the other party.

Supportive measures are offered without charge and are designed to protect the safety of all parties or the District's educational environment, or deter sexual harassment.

Supportive measures may include, but are not limited to:

- a. District-provided counseling;
- b. Course-related adjustments, such as deadline extensions;
- c. Modifications to class or work schedules;
- d. Provision of an escort to ensure that the Complainant and Respondent can safely attend classes and school activities; and
- e. No-contact orders.

All supportive measures must be kept confidential, to the extent that maintaining such confidentiality would not impair the District's ability to provide the supportive measures.

7. Respondent Removal

a. Emergency Removal (Student)

The District may only remove a student Respondent from a District program or activity if, following an individualized safety and risk analysis, the District determines that there is an immediate threat to the physical health or safety of any student or other person arising from the sexual harassment allegations. The District must provide the Respondent with notice and an opportunity to immediately challenge the removal decision. This provision may not be construed to modify any rights under the Individuals with Disabilities Education Act, Section 504 of the Rehabilitation Act of 1973, or the Americans with Disabilities Act.

b. Administrative Leave (Employee)

The District may place an employee Respondent on non-disciplinary administrative leave during the pendency of the Grievance Process. This provision may not be construed to modify any rights under Section 504 of the Rehabilitation Act of 1973 or the Americans with Disabilities Act.

8. Law Enforcement

In appropriate circumstances, a District employee will notify law enforcement or Child Protective Services, consistent with Policies 4202, 5201, and 5701.

The District will attempt to comply with all law enforcement requests for cooperation with related law enforcement activity. In some circumstances, compliance with law enforcement requests may require the District to briefly suspend or delay its investigation. If an investigation is delayed, the District will notify the parties in writing of the delay and the reasons for the delay.

If the District's investigation is suspended or delayed, supportive measures will continue during the suspension or delay. If the law enforcement agency does not notify the District within 10 days that the District's investigation may resume, the District will notify the law enforcement agency that the District intends to promptly resume its investigation.

F. Grievance Process

1. Generally

The Grievance Process begins when a Formal Complaint is filed or when the Title IX Coordinator signs a Formal Complaint and concludes the date the parties receive the Appeals Officer's written decision or the date on which an appeal is no longer timely. The District will endeavor to complete the Grievance Process within 90-120 days, absent extenuating circumstances or delays as described below. The District will treat both the Complainant and the Respondent equitably throughout the Grievance Process.

Neither the Title IX Coordinator, the Decision-Maker, the Investigator, Appeals Officer, nor any person designated to facilitate an informal resolution process will have a conflict of interest or bias for or against Complainants or Respondents generally or for or against an individual Complainant or Respondent.

The Grievance Process requires an objective evaluation of all relevant evidence – including both inculpatory and exculpatory evidence. Credibility determinations may not be based on a person's status as a Complainant, Respondent, or witness.

Throughout the Grievance Process, there is a presumption that the Respondent is not responsible for the alleged conduct unless, in the determination of responsibility, the Decision-Maker finds the Respondent responsible for the alleged conduct.

At any point, the Title IX Coordinator, Investigator, Decision-Maker, or Appeals Officer may temporarily delay the Grievance Process or permit a limited extension of time frames for good cause. Good cause may include, but is not limited to, absence of a party, party's advisor, or witness; concurrent law

enforcement activity; or the need for accommodations (e.g., language assistance or accommodation of disabilities). If there is a delay or extension, the parties will receive written notice of the delay or extension and the reasons for the action.

Any disciplinary action resulting from the Grievance Process will be issued in accordance with District Policy, as applicable, and any applicable codes of conduct, handbooks, collective bargaining agreements, and individual employee contracts.

After the investigation portion of the Grievance Process has concluded, the Decision-Maker will endeavor to issue a determination of responsibility within 30 days, absent extenuating circumstances.

2. Notice of Allegations

Upon receipt of a Formal Complaint, the District must provide written notice to the parties who are known at the time that includes:

- a. A copy of this Policy, which includes the District's Grievance Process, and any informal resolution process;
- b. The sexual harassment allegations, including sufficient details known at the time and with sufficient time so that parties may prepare a response before the initial interview. Sufficient details include parties involved in the incident, if known; the alleged conduct constituting sexual harassment; and the date and time of the alleged incident;
- c. A statement that the Respondent is presumed not responsible for the alleged conduct;
- d. A statement that a determination of responsibility is made at the Grievance Process's conclusion;
- e. A statement that the parties may have an advisor of their choice, who may be an attorney, although any attorney or advisor who is not a District employee will be at the party's own cost;
- f. A statement that the parties will be provided an opportunity to inspect and review any evidence before the investigation report is finalized; and

If the Complainant or Respondent is a student, and the District's Student Code of Conduct addresses false statements by students during an investigation or the disciplinary process, a citation to that portion of the Code of Conduct. If, during the course of an investigation, the Investigator decides to investigate allegations that are not included in the initial notice, the District will provide notice of the additional allegations to the Complainant and Respondent.

3. Informal Resolution

During the Grievance Process, *after* a Formal Complaint has been filed but before a determination of responsibility has been made, the District may offer to facilitate an informal resolution process, or either party may request the informal resolution process. A Formal Complaint must be filed to initiate the informal resolution process.

Informal resolution does not require a full investigation and may encompass a broad range of conflict resolution strategies, including, but not limited to, arbitration, mediation, or restorative justice. The Title IX Coordinator will determine the informal resolution process that will be used, including the person who will facilitate that process.

Informal resolution is not available for a Formal Complaint alleging that an employee sexually harassed a student.

A party is not required to participate in an informal resolution process.

When offering informal resolution, the Title IX Coordinator must (1) provide both parties written notice of their rights in an informal resolution; and (2) obtain written, voluntary consent from both parties to enter into the informal resolution process. The written notice must contain the:

- a. Allegations;
- b. Informal resolution requirements, including the circumstances under which the informal resolution precludes the parties from resuming a Formal Complaint arising from the same allegations;
- c. Right to withdraw from informal resolution and resume the Grievance Process at any time prior to a final resolution; and
- d. Any consequences resulting from participating in the informal resolution process, including the records that will be maintained or that could be disclosed.

4. Investigation

The District has the burden of proof and the burden to gather evidence sufficient to reach a determination of responsibility.

a. Investigation Process

The District will not require, allow, rely upon, or otherwise use questions or evidence that constitute, or seek disclosure of, information protected under a legally recognized privilege unless the person holding the privilege has waived the privilege in writing.

The District may not access, consider, disclose, or otherwise use a party's medical records, including mental health records, which are made and maintained by a healthcare provider in connection with the party's treatment

unless the District obtains that party's voluntary, written consent to do so for the Grievance Process.

The Investigator must provide an equal opportunity for the parties to present witnesses, including fact and expert witnesses, and other inculpatory or exculpatory evidence. The Investigator cannot restrict parties from discussing the allegations under investigation, nor can the Investigator restrict parties from gathering or presenting relevant evidence.

Parties may be accompanied by an advisor of their choice, including an attorney, during the Grievance Procedure. If a party chooses an advisor who is not a District employee, the District is not responsible for any associated costs. The Investigator or Title IX Coordinator may establish restrictions regarding the extent to which the advisor may participate in the proceedings, as long as the restrictions apply equally to both parties (e.g., abusive, disruptive behavior or language will not be tolerated; advisor will not interrupt the investigator to ask questions of witnesses).

The Investigator must provide the date, time, location, participants, and purpose of all hearings (if any), investigative interviews, and meetings, to a party whose participation is invited or expected. Written notice must be provided a sufficient time in advance so that a party may prepare to participate.

As described in Section L of this Policy, retaliation against a person for making a complaint or participating in an investigation is prohibited.

The Investigator must ensure that the Complainant and Respondent have an equal opportunity to inspect and review any evidence obtained as part of the investigation so that each party has the opportunity to meaningfully respond to the evidence before the investigation's conclusion. This evidence includes (1) evidence upon which the District does not intend to rely in reaching a determination regarding responsibility, and (2) inculpatory or exculpatory evidence obtained from any source.

Before the investigation's completion, the Investigator must send to each party and the party's advisor, if any, the evidence subject to inspection and review in an electronic format or a hard copy, and the parties must have at least 10 calendar days to submit a written response to the Investigator. The party's response must be considered by the Investigator before completing the final investigation report.

b. Investigation Report

The Investigator must create an investigation report that fairly summarizes relevant evidence and submit the investigation report to the Decision-Maker.

At least 10 calendar days before a determination of responsibility is issued, the Investigator must send the investigation report to each party for review and written response. Written responses to the investigation report must be submitted directly to the Decision-Maker.

The Investigator will endeavor to complete the investigation and finalize the report within 60 days.

5. Determination of Responsibility

The Decision-Maker cannot be the same person as the Title IX Coordinator, Investigator, Appeals Officer, or person designated to facilitate an informal resolution process.

Before the Decision-Maker reaches a determination of responsibility, and after the Investigator has sent the investigation report to the parties, the Decision-Maker must:

- a. Afford each party the opportunity to submit written, relevant questions that a party wants asked of any party or witness; and
- b. Provide each party with the answers, and allow for additional, limited follow-up questions from each party.

Questions and evidence about the Complainant's sexual predisposition or prior sexual behavior are not relevant unless offered to prove that someone other than the Respondent committed the alleged misconduct, or the questions and evidence concern specific incidents of the Complainant's prior sexual behavior with respect to the Respondent and are offered to prove consent.

If the Decision-Maker decides to exclude questions from either party as not relevant, the Decision-Maker must explain the decision to the party proposing the questions.

The Decision-Maker must issue a written determination of responsibility based on a preponderance of the evidence standard (i.e., more likely than not) simultaneously to both parties. The written determination of responsibility must include:

- a. Identification of the sexual harassment allegations;
- b. Description of the procedural steps taken from the receipt of the Formal Complaint through the determination of responsibility, including any:
 - i. Notification to the parties;
 - ii. Party and witness interviews;
 - iii. Site visits;
 - iv. Methods used to collect evidence; and

- v. Hearings held.
 - c. Factual findings that support the determination;
 - d. Conclusions about the application of any relevant code of conduct, policy, law, or rule to the facts;
 - e. A statement of, and rationale for, the result as to each allegation, including:
 - i. A determination of responsibility;
 - ii. Any disciplinary action taken against the Respondent (consistent with Policies 4309, 4407, 4506, 4606, or 5206, as applicable, and any applicable codes of conduct, handbooks, collective bargaining agreements, or individual employee contracts); and
 - iii. Whether remedies designed to restore and preserve equal access to the District's education program or activity will be provided to the Complainant.
 - f. Appeal rights.
6. Appeals

Notice of the determination of responsibility or dismissal decision must include notice of the parties' appeal rights.

Both parties may appeal a determination of responsibility or the decision to dismiss a Formal Complaint in whole or in part for the following reasons only:

- a. A procedural irregularity that affected the outcome.
- b. New evidence that was not reasonably available at the time the determination of responsibility or dismissal decision was made that could affect the outcome.
- c. The Title IX Coordinator, Investigator, or Decision-Maker had a conflict of interest or bias for or against the Complainant or Respondent, generally or individually, that affected the outcome.

An appeal must be filed with the Title IX Coordinator within 5 calendar days of the date of the determination of responsibility or dismissal decision.

Upon receipt of an appeal, the Title IX Coordinator will assign an Appeals Officer who will provide both parties written notice of the appeal and an equal opportunity to submit a written statement in support of, or challenging, the determination or dismissal decision.

The Appeals Officer must provide a written decision describing the result of the appeal and the rationale for the result to both parties simultaneously. The Appeals Officer will endeavor to decide an appeal within 30 days.

The Appeals Officer cannot be the same person who acts as the Title IX Coordinator, Investigator, Decision-Maker, or person designated to facilitate an informal resolution process on the same matter. The Appeals Officer also cannot have a conflict of interest or bias against Complainants and Respondents generally or individually.

The determination of responsibility is final upon the date the parties receive the Appeals Officer's written decision or on the date on which an appeal is no longer timely.

G. Dismissal

1. Mandatory Dismissals

The Title IX Coordinator must dismiss a Formal Complaint if:

- a. The Formal Complaint's allegations, even if substantiated, would not constitute sexual harassment as defined in this Policy;
- b. The Formal Complaint's allegations did not occur in the District's programs or activities; or
- c. The Formal Complaint's allegations did not occur in the United States.

2. Discretionary Dismissals

The Title IX Coordinator may dismiss a Formal Complaint if:

- a. The Complainant notifies the Title IX Coordinator in writing that the Complainant wishes to withdraw the Formal Complaint in whole or in part;
- b. The Respondent's enrollment or employment ends; or
- c. Specific circumstances prevent the District from gathering evidence sufficient to reach a determination (e.g., several years have passed between alleged misconduct and Formal Complaint filing, Complainant refuses or ceases to cooperate with Grievance Process).

The Title IX Coordinator will promptly and simultaneously notify both parties when a Formal Complaint is dismissed. The notice must include the reasons for mandatory or discretionary dismissal and the right to appeal. Appeal rights are discussed above in Subsection F(6) of this Policy.

Dismissal of a Formal Complaint under this Policy does not excuse or preclude the District from investigating alleged violations of other policy, rule, or law, or from issuing appropriate discipline based on the results of the investigation.

H. Consolidation of Complaints

The Title IX Coordinator or Investigator may consolidate Formal Complaints where the allegations arise out of the same facts or circumstances. Where a Grievance

Process involves more than one Complainant or more than one Respondent, references in this Policy to the singular "party," "Complainant," or "Respondent" include the plural, as applicable.

I. Remedies and Disciplinary Sanctions

The District will take appropriate and effective measures to promptly remedy the effects of sexual harassment. The Title IX Coordinator is responsible for the effective implementation of any remedies.

Appropriate remedies will be based on the circumstances and may include, but are not limited to:

1. Providing an escort to ensure that the Complainant and Respondent can safely attend classes and school activities;
2. Offering the parties school-based counseling services, as necessary;
3. Providing the parties with academic support services, such as tutoring, as necessary;
4. Rearranging course or work schedules, to the extent practicable, to minimize contact between the Complainant and Respondent;
5. Moving the Complainant's or the Respondent's locker or work space;
6. Issuing a "no contact" directive between the Complainant and Respondent;
7. Providing counseling memoranda with directives or recommendations.

These remedies may also be available to any other student or person who is or was affected by the sexual harassment.

The District will impose disciplinary sanctions consistent with District Policy, as applicable, and any applicable codes of conduct, handbooks, collective bargaining agreements, or individual employee contracts. Discipline may range from warning or reprimand to termination of employment, or student suspension or expulsion.

After a determination of responsibility, the Title IX Coordinator should consider whether broader remedies are required, which may include, but are not limited to:

1. Assemblies reminding students and staff of their obligations under this Policy and applicable handbooks;
2. Additional staff training;
3. A climate survey; or
4. Letters to students, staff, and parents/guardians reminding persons of their obligations under this Policy and applicable handbooks.

If the Complainant or Respondent is a student with a disability, the District will convene an IEP or Section 504 Team meeting to determine if additional or different programs, services, accommodations, or supports are required to ensure that the Complainant or Respondent continues to receive a free appropriate public education. Any disciplinary action taken against a Respondent who is a student with a disability must be made in accordance with Policy 5206B and the Individuals with Disabilities Education Act or Section 504 of the Rehabilitation Act.

J. False Statements

Any person who knowingly makes a materially false statement in bad faith during a Title IX investigation will be subject to discipline, up to and including discharge or permanent expulsion. A dismissal or determination that the Respondent did not violate this Policy is not sufficient, on its own, to conclude that a person made a materially false statement in bad faith.

K. Confidentiality

The District will keep confidential the identity of a person who reports sexual harassment or files a Formal Complaint, including parties and witnesses, except as permitted or required by law or to carry out any provision of this Policy, applicable regulations, or laws.

L. Retaliation

Retaliation (e.g., intimidation, threats, coercion) for the purpose of interfering with a person's rights under Title IX is prohibited. This prohibition applies to retaliation against any person who makes a report, files a Formal Complaint, or participates in, or refuses to participate in a Title IX proceeding. Complaints alleging retaliation may be pursued in accordance with District Policy.

The exercise of rights protected under the First Amendment does not constitute retaliation prohibited by this Section.

When processing a report or Formal Complaint of sexual harassment, pursuing discipline for other conduct arising out of the same facts or circumstances constitutes retaliation if done for the purpose of interfering with that person's rights under Title IX.

Any person who engages in retaliation will be disciplined in accordance with District Policy, as applicable, and any applicable codes of conduct, handbooks, collective bargaining agreements, and individual employee contracts.

M. Training

All District employees must be trained on how to identify and report sexual harassment.

Any person designated as a Title IX Coordinator, Investigator, Decision-Maker, Appeals Officer, or any person who facilitates an informal resolution process must be trained on the following:

1. The definition of sexual harassment;
2. The scope of the District's education programs or activities;
3. How to conduct an investigation and the District's grievance process, including, as applicable, hearings, appeals, and informal resolution processes; and
4. How to serve impartially, including avoiding prejudgment of the facts at issue, conflicts of interest, and bias.

Investigators must receive training on how to prepare an investigation report as outlined in Subsection F(4)(b) above, including, but not limited to, issues of relevance.

Decision-Makers and Appeals Officers must receive training on issues of evidence and questioning, including, but not limited to, when questions about a Complainant's prior sexual history or disposition are not relevant.

Any materials used to train District employees who act as Title IX Coordinators, Investigators, Decision-Makers, Appeals Officers, or who facilitate an informal resolution process must not rely on sex stereotypes and must promote impartial investigations and adjudications of Formal Complaints. These training materials must be posted on the District's website.

N. Record Keeping

The District will maintain records related to reports of alleged Title IX sexual harassment for a minimum of seven years. This retention requirement applies to investigation records, disciplinary sanctions, remedies, appeals, and records of any action taken, such as supportive measures.

The District will also retain any materials used to train Title IX Coordinators, Investigators, Decision-Makers, Appeals Officers, and any person designated to facilitate an informal resolution process.

O. Office for Civil Rights

Any person who believes that he or she was the victim of sexual harassment may file a complaint with the Office for Civil Rights (OCR) at any time:

U.S. Department of Education Office for Civil Rights
1350 Euclid Avenue, Suite 325
Cleveland, Ohio 44115
Phone: (216) 522-4970
E-mail: OCR.Cleveland@ed.gov

An OCR complaint may be filed before, during, or after filing a Formal Complaint with the District. A person may forego filing a Formal Complaint with the District and instead file a complaint directly with OCR. The District recommends that a person who has been subjected to sexual harassment also file a Formal Complaint with the District to ensure that the District is able to take steps to prevent any further harassment and to discipline the alleged perpetrator, if necessary. OCR does not serve as an appellate body for District decisions under this Policy. An investigation by OCR will occur separately from any District investigation.

5200 Student Conduct and Discipline

5207 *Anti-Bullying Policy*

All types of bullying, including cyberbullying, without regard to subject matter or motivating animus, are prohibited.

A. Prohibited Conduct

1. Bullying, including cyberbullying, a student at school is prohibited. Bullying is any written, verbal, or physical act, or electronic communication that is intended to or that a reasonable person would know is likely to harm one or more students directly or indirectly by doing any of the following:
 - a. substantially interfering with a student's educational opportunities, benefits, or programs;
 - b. adversely affecting a student's ability to participate in or benefit from the District's educational programs or activities by placing the student in reasonable fear of physical harm or by causing substantial emotional distress;
 - c. having an actual and substantial detrimental effect on a student's physical or mental health; or
 - d. causing substantial disruption in, or substantial interference with, the District's orderly operations.
2. Retaliation or false accusations against the target of bullying, anyone reporting bullying, a witness, or another person with reliable information about an act of bullying, are prohibited.

B. Reporting an Incident

If a student, staff member, or other person suspects there has been a bullying incident, the person must promptly report the incident to the building principal or designee, or to the Responsible School Official(s), as defined below.

A report may be made in person, by telephone, or in writing (including electronic transmissions). If a bullying incident is reported to a staff member who is not the building principal, designee, or a Responsible School Official, the staff member must promptly report the incident to the building principal, designee, or a Responsible School Official.

To encourage reporting of suspected bullying or related activities, each building principal, after consulting the Responsible School Official(s), will create, publicize, and implement a system for anonymous reports. The system must emphasize that the District's ability to investigate anonymous reports may be limited.

Complaints that the building principal has bullied a student must be reported to the Superintendent. Complaints that the Superintendent has bullied a student must be reported to the Board President.

C. Investigation

All bullying complaints will be promptly investigated. The building principal or designee will conduct the investigation, unless the building principal or Superintendent is the subject of the investigation. If the building principal is the subject of the investigation, the Superintendent or designee will conduct the investigation. If the Superintendent is the subject of the investigation, the Board President will designate a neutral party to conduct the investigation.

A description of each reported incident, along with all investigation materials and conclusions reached, will be documented and retained.

D. Notice to Parent/Guardian

If the investigator determines that a bullying incident has occurred, the District will promptly notify the victim's and perpetrator's parent/guardian in writing.

E. Annual Reports

At least annually, the building principal or designee, or the Responsible School Official, must report all verified bullying incidents and the resulting consequences, including any disciplinary action or referrals, to the Board.

The District will annually report incidents of bullying to MDE in the form and manner prescribed by MDE.

F. Responsible School Official

The Superintendent is the "Responsible School Official" for this Policy and is responsible for ensuring that this Policy is properly implemented. This appointment does not reduce or eliminate the duties and responsibilities of the building principal or designee as described in this Policy.

G. Posting/Publication of Policy

The Superintendent or designee will ensure that this Policy is available on the District's website and incorporated into student handbooks and other relevant school publications.

The Superintendent or designee will submit this Policy to the MDE within 30 days after its adoption.

3116 District Technology and Acceptable Use

The Board will provide students, staff, volunteers, and other authorized users access to the District's technology resources, including its computers and network resources, in a manner that encourages responsible use. Any use of District technology resources that violates federal or state law is expressly prohibited.

A. Children's Internet Protection Act

The Board complies with the Children's Internet Protection Act ("CIPA") and directs its administration to:

1. Monitor minors' online activities and use technology protection measures on the District's computers with internet access to block minors' access to visual depictions that are obscene, constitute child pornography, or are harmful to minors. The term "harmful to minors" means any picture, image, graphic image file, or other visual depiction that:
 - a. taken as a whole and as to minors, appeals to a prurient interest in nudity, sex, or excretion;
 - b. depicts, describes, or represents, in a patently offensive way as to what is suitable for minors, an actual or simulated sexual act or sexual contact, actual or simulated normal or perverted sexual acts, or a lewd exhibition of the genitals; and
 - c. taken as a whole, lacks serious literary, artistic, political, or scientific value for minors.
2. Use technology protection measures on the District's computers with internet access to block all access to visual depictions that are obscene or that constitute child pornography. The technology protection measures may be disabled by authorized personnel during adult use to enable access to bona fide research or for other lawful purposes. The Superintendent or designee will determine which District personnel are authorized to disable the protection measures.
3. Educate minors about appropriate online behavior, including interacting with other people on social networking websites and chat rooms, as well as cyberbullying awareness and response.
4. Prohibit access by minors to inappropriate matter on the internet.
5. Prohibit unauthorized access, including hacking and other unlawful online activity by minors.

6. Prohibit the unauthorized disclosure, use, and dissemination of personal identification information about minors.
7. Restrict minors' access to materials that are inappropriate for minors. The Board defines materials that are "inappropriate for minors" to include obscene depictions, child pornography, and any other material harmful to minors.
8. Encourage the safety and security of minors when using electronic mail, chat rooms, and other forms of direct electronic communication.

The Superintendent or designee will take steps necessary to implement this Policy and to otherwise comply with CIPA.

B. Acceptable Use Agreement

The Superintendent or designee will develop, review, and revise as necessary an acceptable use agreement that must be signed before a user is provided access to the District's technology resources. Different acceptable use agreements may be developed based on the user's status. At a minimum, the Superintendent or designee will develop an acceptable use agreement to be signed by each of the following groups:

- adult users, including employees, volunteers, and Board members;
- students in grades 7 and above and their Parent; and
- students in grades 6 and below and their Parent.

The acceptable use agreement must be consistent with this Policy and must include, at a minimum, all of the following:

1. A statement that:

- a. use of District technology resources is a privilege that may be revoked at any time;
- b. a user has no expectation of privacy when using District technology resources;
- c. District technology resources use may be monitored by the District and that the use may be subject to FOIA or disclosure in litigation;
- d. District technology resources may not be used to bully, harass, or intimidate others;
- e. misuse of District technology resources may result in loss of access to the resources and potential disciplinary action; and
- f. the District does not guarantee that the District's technology resources will be error free or uninterrupted.

2. Provisions to protect the integrity of District technology resources, including a requirement that each user only access the resources by using that user's assigned user name and password.
3. A list of what constitutes misuse of District technology resources.
4. A prohibition against:
 - a. accessing other user accounts or files without authorization;
 - b. conducting personal business or activities;
 - c. accessing pornography;
 - d. communicating inappropriately with students;
 - e. accessing or downloading confidential student information which the employee has no legitimate educational need to know; and
 - f. accessing or downloading unauthorized software or programs.
5. A requirement that users report any material that is threatening, harassing, or bullying.
6. A release of all claims and liability against the District for use of District technology resources.

C. District Personnel Use

District personnel must comply with Policies 4215 and 4216.

D. State Assessments

During the administration of state assessments (e.g., WIDA, M-STEP, etc.), unless otherwise permitted by this subsection, students and District personnel, including those individuals acting as test administrators, are prohibited from possessing, using, wearing, or otherwise accessing any electronic devices not being actively used for testing purposes when in an active testing session or while on a break when in an active testing session. Pictures, videos, or other communications regarding test content are prohibited during all testing and breaks.

For the purposes of this subsection, an "electronic device" includes any electronic device that can be used to record, transmit, or receive information not used for testing, including but not limited to computers, tablets, iPads, e-readers, smart watches (including Fitbits), smartphones and cell phones, Bluetooth headphones or smart earbuds, or smart glasses.

The Superintendent and building principals are authorized to develop additional building-level rules related to state assessments so long as those rules are not in conflict with this subsection.

1. Students

- a. Students shall leave all electronic devices outside of the testing room or shall power off all electronic devices and surrender them to the test administrator for collection prior to beginning the testing session.
- b. If an additional electronic device is medically necessary for a testing student, the device must be left with the test administrator, unless the student is required to possess the device, in which case the test must be administered to the student by a test administrator in a one-on-one setting and the student must be actively monitored at all times while testing.
- c. During the testing sessions or breaks, students may not access any additional websites or applications on a device used for testing.

2. Test Administrators

- a. Test administrators or other District personnel monitoring or troubleshooting the administration of state assessments must:
 - i. Ensure that all background applications and alternative websites are disabled on testing devices.
 - ii. Actively monitor students in the testing room and verify that students do not have access to additional electronic devices before, during, and after testing, including breaks.
 - iii. Refrain from disturbing the testing environment, including through texting, speaking, or using electronic devices for non-testing purposes (e.g., to complete other work). Test administrators must silence all electronic devices. Test administrators may wear a wearable electronic device (e.g., smart watch or Fitbit), but must ensure that the device is in airplane mode during test administration.
- b. Test administrators may use electronic devices to alert other personnel of issues or emergencies requiring assistance. Such other personnel may use their electronic devices for troubleshooting purposes but should exit the testing room when engaging in those communications.

3. Penalties

The failure to comply with this subsection may result, as applicable, in employee or student disciplinary action and such consequences as deemed necessary or appropriate by the Michigan Department of Education (e.g., invalidation of an individual student's test, or misadministration of the entire testing session and invalidation of all the students' tests).

E. Public Access to Technology

1. Pursuant to the Michigan Library Privacy Act, each school library offering public access to the internet or a computer, computer program, computer network, or computer system (a "Qualifying School Library") will limit minors to only use or view those terminals that do not receive material that is obscene, sexually explicit, or harmful to minors. Persons age 18 or older, or a minor accompanied by the minor's Parent, may access a school library terminal that is not restricted from receiving such material, if any.
2. Only when a Qualifying School Library offers public access as described in subsection D.1., the District must designate at least 1 terminal that is not restricted from receiving such material and at least 1 terminal that is restricted from receiving such material. Library staff must take steps to ensure that minors not accompanied by a Parent do not access the unrestricted terminal. The Superintendent or designee will determine which employees will implement subsection D in each Qualifying School Library.
3. As used in this Policy, "terminal" means a device used to access the internet or a computer, computer program, computer network, or computer system.
