

Curricular Updates to BOE

December 2025

The Why:

- High levels of learning for all
- Our students can...
 - With proper time
 - With proper interventions
 - With proper mindset - student and staff
- Breaking the mindset of this is what we have always done
- 80% indicate they are continuing their education at two and four year institutions, yet only 30-40% challenge themselves with the rigor
- District's philosophy - PO2110/2105
