Letter Explaining Intent to Amend Charter

Dear Superintendent and President of the Board of Trustees:

This is to inform you that the following charter school intends to submit an amendment request to the commissioner of education:

Inspired Vision Academy
057-830
8225 Bruton Rd.
Dallas, Texas 75217

As part of the amendment process, charter schools are required to notify any districts that are likely to be affected by the change. The enclosed Statement of Impact form indicates the type of amendment request being made. Specifically, we are asking the Commissioner to approve an expansion of our geographic boundary that will allow our employees living outside our current geographic boundary to bring their children to our schools. We don't anticipate this request changing the fact that 99% of our students are geographically located within Dallas and Mesquite ISD. We are also asking approval of an amendment to our charter that will allow us to add a campus site to house our high school as we expand to include grade levels and enrollment specified and approved in our original charter.

Specifically, Texas Education Agency guidelines require that the Statement of Impact form be sent to each district that may be affected. Information is requested if the proposed change may adversely impact a district financially or if the proposed change may impact the student enrollment of a district in a manner that impairs the district's ability to comply with a court order. The enclosed form may be completed by any district that may be affected, signed by the district's board president and superintendent, and returned to the Texas Education Agency, Charter Schools Division, 1701 North Congress Avenue, Austin, Texas 78701-1494.

Please review the enclosed form and notify the Texas Education Agency if your district will be impacted by the request.

Sincerely,

Alan Seay, EdD
Superintendent/CEO
