

SCHOOL BOARD MEETING REPORT

Board Meeting Date: 19-May-21 Superintendent: Dave Valenzuela

Administrator/Staff: Dale Fisher

Type of Item: Informational Action

Please state your proposal briefly and clearly. What do you want the board to know, discuss, or decide?

Hidden Valley High School would like to form a collective with North Valley High School for the sport of swimming.

Provide history/background information on your proposal:

Hidden Valley did not have any qualified applicants for the vacated head swim coach position. Amanda Sarver, the swim coach at North Valley, has agreed to work with our athletes as a collective. Essentially, we would be two separate teams representing our schools, but sharing resources such as coaching, facilities and transportation. The OSAA application requires board approval. The season begins May 10 with First contests beginning May 17.

List the advantages of your proposal:

Our athletes get to participate in the sport of swimming, and we will have a highly qualified coach working with them. If we do not get approval, our kids will not be able to participate.

List possible disadvantages of your proposal:

None.

List possible alternatives that could also offer a solution to your proposal. Why were they not recommended?

The alternative would be hiring a qualified coach for the position. We posted the position in the fall and received no qualified applicants. It is a volunteer position.

Superintendent's recommendation(s):

Approve: Yes No
