- A. **Price** – Quoted prices are subject to change without notice due to unforeseen circumstances such as cost increases of raw materials, imported products, or force majeure (which includes but not limited to natural disasters or government regulations). It's crucial to always consult with your sales consultant before finalizing your order to stay informed about any potential changes.
- B. **Delivery Services** – Unless explicitly stated otherwise, our delivery service is limited to curbside delivery. Paid local inside delivery services entail equipment reception at our warehouse and subsequent delivery to your business. With paid inside delivery service, Gator Chef personnel will uncrate, assemble, and position the equipment, with final mechanical connections (such as plumbing and electrical) to be arranged by others. Please ensure that all access points are adequately sized to accommodate the proposed equipment. Additional services such as crane rental or glaziers are not included unless specified. Any necessary wall backing or enclosures must be provided by the customer. Installation and/or startup of merchandise is never included in basic delivery services and is subject to additional charges. With paid installation services, if Gator Chef installers need to return to the job site for additional visits, additional fees may be assessed. When shipping FOB at the destination the customer must inspect any damage at time of delivery and note any issues prior to signing, any freight claims from LTL freight must be made within 24 hours.
- C. **Warranty Coverage** – New equipment comes with standard manufacturer warranties, unless otherwise stated. These warranties do not cover product loss or revenue loss resulting from equipment malfunction or unavailability of parts. Used equipment in the Chicagoland area is covered by a 90-day parts and labor warranty, unless stated otherwise. Gator Chef is not responsible for economic loss, profit loss, or special, indirect or consequential damages, including without limitation, loss or damage arising from loss of product, whether or not on account of failure of equipment.
- D. **Payment Terms** – Payment terms involve a 50% deposit upon order placement, followed by the remaining 50% prior to delivery, unless otherwise stated. Payment terms may be available with prior authorization by Gator Chef. Please discuss this option with your sales associate for more information. These terms are subject to approval after credit assessment and security agreements. A monthly service charge of 1.5% interest applies to overdue accounts. Drop-ship orders require full payment before delivery. Gator Chef retains the right to impose additional storage charges, borne by the owner, for orders exceeding 60 days from approval. Customers will be responsible for any taxes, duties or other fees. Gator Chef has the right to have a security interest in the equipment until fully paid.
- E. **Order Cancellations, Returns, and Refunds** – Non-stock and/or custom merchandise is not returnable; all sales are final. Returns of merchandise require prior approval by Gator Chef. All returns will be subject to a 25% minimum restocking fee plus any freight/shipping charges
- F. **Credit Card Payment** - Credit card payments using CardX, VISA, MASTERCARD, DISCOVER, or AMEX will incur a surcharge fee. No surcharges apply to payments made by CASH, CHECK, ACH, or DEBIT CARDS with PIN entry. For clarification on these fees, please consult your sales consultant.
