**SUBJECT:** Update of Policy 4430- Student Testing Prohibition Without Prior Written Consent- Second Read

Policy 4430- Student Testing Prohibition Without Prior Written Consent has been updated to align with state and federal law. Updates included provisions for district employees to obtain prior written consent from a student's parent before administering specific tests, surveys, and evaluations. There have been no changes made to the policy since the first reading. We are seeking Board approval of this policy on a second read.
