RE: Recognition of Eagle Pass Junior High School's Accountability Rating

I am submitting this recognition item for the October 9, 2018 school board meeting.

The state of Texas implemented a new accountability rating system for the 2017-2018 academic year. School districts and campuses across our great state prepared their teachers, and students to meet the new challenges of the new rating system. Eagle Pass Junior High School met the challenge head on. The official 2018 accountability rating for Eagle Pass Junior High School is "Met Standard." However, the Overall Score of 93 gives it an A level rating for this school-year.

Let us recognize the great efforts and results of the Eagle Pass Junior High School staff, students, and community as a whole for a job well-done.

Approved:

Samuel Mijares, Deputy Superintendent for C & I
