

## Federal and Special Programs

### Special Education

Currently we are seeking a candidate to fill the Special Education self-contained teaching position at OES vacated by Ms. Whitney Brockman. Mr. Bill McGinnis will be moved from OHS to OMS if he remains with the district. He is actively seeking a position closer to his parents in Waxahachie, TX. We have hired Mr. Todd Harrison for special education teacher/coach at OHS and Mr. Lyon Lofland for special education teacher/coach split between OMS and OHS. Ms. Valerie Moos and Mrs. Shauna Yeager are returning in the fall.

### Dyslexia

Ms. Betsy Nanny will continue as our district Dyslexia teacher.

### Accountability

State Performance Plan Indicator 14—Extended Postsecondary Follow-up Survey (2011-12)  
Crockett County CCSD had 3 students available to contact, and 1 completed the survey. That student reports being engaged in “Some Other Employment.” The student has not been enrolled in any school, job training, or education program. The student’s employment is for 20 or more hours per week and is less than minimum wage according to the survey response. The student does not receive any services provided by Department of Adult Rehabilitative Services (DARS) or any other adult service agencies.
