

COUGAR TAILS

January 1,2013

Greetings from the Principal

Happy 2013!

Happy New Year to all of our School families! I hope the time our students had off from school was a great chance for families to spend some quality time together! In the hustle of all of the activities and events in our daily lives, having some extra time to spend with our families is always beneficial!

Many parents had the opportunity to attend our Christmas program and it was a great success. (Despite the weather) With some planning, coordinating, and team work we were able to do a school wide program. Thank you to Michelle Stone, teachers, assistants and students for all your efforts. The show you put on was fabulous!

As we wrap up the first half of the school year, I would also like to thank our parents for everything they have done to support our school so far this year. Thank you for all you do to make our school a great place. Please remember to sign in at the office when you are visiting or helping out around the school. We understand the inconvenience however we all can understand the importance. Please continue to check the website, newsletter, flyers and weekly voice/email for information about upcoming school events. Here is to a fantastic and safe 2013!

Girl's Basketball

Practice is Monday thru Friday, 3:30-5:00. Girls are to report to homework club at 2:40 and remain there until 3:20. You will be dismissed to dress down at that time. Please have your gym shoes and shorts to practice in.

This is a just a reminder to all parents, guardians, and/or visitors of Applegate School students, if you visit our campus, we need you to stop by the front office, sign in, and get a visitor's badge. <u>Thank</u> <u>You</u> for your support in helping us keep our school safe.

Parents please remember there are dates for shot exclusions. They are coming up soon. Please check to see if your student needs to update his/her shot records. Exclusion Day is in February.

As the New Year kicks off, we would like to remind parents that good attendance is key to academic success. We are approaching our first round of required state testing, OAKS (Oregon Assessment of Knowledge Skills) for grades 3rd-8th. Parents please continue to support your child by communicating with your teacher on a regular basis about their behavior and academic growth. Working together we can build success!
