

Cameron High School BOE Report  
December 29, 2014

**Building Updates** - Progress continues to be made in the addition.

**Big Book Brag Board** - Mrs. Hagen-Salm ran a promotion over deer hunting for students to take pictures of themselves reading in their tree stands. She received 17 pictures with students doing everything from being in the tree stand, carving a turkey, milking cows, or snow blowing the driveway.

**Deserving Makeover** - Mrs. Ladd was nominated for WEAU's Deserving Makeover contest by her sister and was selected as a winner. Mrs. Ladd had her makeover on Tuesday, November 25 in Eau Claire and had a really nice story done on WEAU. Here is the link:

[WEAU News Story](#)

**FFA Fruit Sales** - The FFA fruit orders were delivered and distributed on December 16th. The fruit sales are a major fundraiser for our FFA. The group sold about 450 boxes of fruit.

**Holiday Concert** - The High School holiday concert was held Monday, December 15. The concert was well attended and the students performed extremely well.

**Spirit of Christmas** - The girls basketball team did their annual Spirit of Christmas drive, collecting monetary donations to provide presents for local children. I have included a summary of the event from Tom Moon.

**Toys for Tots** - Cheryl Hopkins and FBLA sponsored a Toys for Tots drive at the high school and middle school.

**ALICE Training** - The three building principals, Mitch Breed and Michael Lynch attended a two day training on A.L.I.C.E. concepts. The acronym stands for Alert, Lockdown, Inform, Counter, and Evacuate and provides a framework for dealing with violent intruders in school. The basic premise of the training was creating options to keep people safe if an event were to occur.

**Feed My Starving Children** - The event was very successful and the organization was grateful to the district for allowing the event to be hosted at the high school. There was excellent cooperation from multiple groups to make this event happen.

**ASPIRE/ACT Testing** - Individual student results from the fall ASPIRE testing have come back and were mailed home. Students had individual conferences with their homeroom teachers about their results. Planning has begun for the spring administering of the ACT and the ASPIRE tests.

**Upcoming Events** -

Monday January 5 - Boys Basketball vs. Unity @ 7:15 p.m.

Thursday January 8 - Boys Basketball vs. Clayton @ 7:15 p.m.
