MEMORANDUM

To: Members of the Board of Trustees
From: Lisa D. Renegar, Planning & Instruction Department
Subject: 2022-2023 District and Campus Improvement Plans
Date: July 20, 2022

HISTORY:

Every year, each of our campus Principals and district leadership participate in re-writing the campus and district improvement plans via the online program called "Plan4Learning." This agenda item is to approve the six Campus Improvement Plans and the District Improvement Plan, for 2022-2023, as presented in the electronic versions each Trustee and the Superintendent received.

RATIONALE:

These improvement plans have two parts: 1) Comprehensive Needs Assessment; 2) Campus or District Improvement Plan with Goals, Performance Objectives, and Strategies. The Comprehensive Needs Assessment is a written narrative focusing on 8 different areas from demographics to technology. Each of the 8 areas identifies one or more problem statements that will become strategies in their respective improvement plans. The goal of each strategy is to offer solutions to the problem statements identified. Campus and District Improvement Plans are "living documents" and continually evolve during the year. Funding is also tied to these improvement plans, and outlines how monies will be allocated to address each strategy.

BUDGET:

Approval of these improvement plans has no direct budgetary impact.

ADMINISTRATIVE RECOMMENDATION:

It is recommended that the Board approve the Campus and District Improvement Plans as presented.
