Under IPM, whenever economical and practical, multiple control tactics shall be used to achieve best control of pests. These tactics shall possibly include, but are not limited to, the judicious use of pesticides.

STANDARDS

In accordance with Part 4, Title 7 of the Administrative Code and Chapter 1951 of the Occupations Code, the District's IPM program shall govern the District's use of pesticides, herbicides, and other chemical agents for the purpose of controlling pests, rodents, insects, and weeds in and around District facilities.

AUDIO RECORDING

As provided by law, an employee shall be permitted to make an audio recording of a conference or hearing under this policy at which the substance of the employee's complaint is discussed. The employee shall notify all attendees present that an audio recording is taking place.

LEVEL ONE

Complaint forms must be filed:

1. Within 15 days of the date the employee first knew, or with reasonable diligence should have known, of the decision or action giving rise to the complaint or grievance; and
2. With the lowest level administrator who has the authority to remedy the alleged problem.

In most circumstances, employees on a school campus shall file Level One complaints with the campus principal; other District employees shall file Level One complaints with their immediate supervisor.

If the only administrator who has authority to remedy the alleged problem is the Superintendent or designee, the complaint may begin at Level Two following the procedure, including deadlines, for filing the complaint form at Level One.

If the complaint is not filed with the appropriate administrator, the receiving administrator must note the date and time the complaint form was received and immediately forward the complaint form to the appropriate administrator.

The appropriate administrator shall investigate as necessary and hold a conference with the employee within ten days after receipt of the written complaint. The administrator may set reasonable time limits for the conference.

The administrator shall provide the employee a written response within ten days following the conference. In reaching a decision, the administrator may consider information provided at the Level One conference and any other relevant documents or information the administrator believes will help resolve the complaint.

LEVEL TWO

If the employee did not receive the relief requested at Level One or if the time for a response has expired, the employee may request a conference with the Superintendent or designee to appeal the Level One decision.

The appeal notice must be filed in writing, on a form provided by the District, within ten days of the date of the written Level One response or, if no response was received, within ten days of the Level One response deadline.

After receiving notice of the appeal, the Level One administrator shall prepare and forward a record of the Level One complaint to the Level Two administrator. The employee may request a copy of the Level One record.

The Level One record shall include:

1. The original complaint form and any attachments.
2. All other documents submitted by the employee at Level One.
3. The written response issued at Level One and any attachments.
4. All other documents relied upon by the Level One administrator in reaching the Level One decision.

The Superintendent or designee shall hold a conference within ten days after the appeal notice is filed. The conference shall be limited to the issues presented by the employee at Level One and identified in the Level Two appeal notice. At the conference, the employee may provide information concerning any documents or information relied upon by the administration for the Level One decision. The Superintendent or designee may set reasonable time limits for the conference.

The Superintendent or designee shall provide the employee a written response within ten days following the conference. In reaching a decision, the Superintendent or designee may consider the Level One record, information provided at the Level Two conference, and any other relevant documents or information the Superintendent or designee believes will help resolve the complaint.

Recordings of the Level One and Level Two conferences, if any, shall be maintained with the Level One and Level Two records.

LEVEL THREE

If the employee did not receive the relief requested at Level Two or if the time for a response has expired, the employee may appeal the decision to the Board.

The appeal notice must be filed in writing, on a form provided by the District, within ten days of the date of the written Level Two response or, if no response was received, within ten days of the Level Two response deadline.

The Superintendent or designee shall inform the employee of the date, time, and place of the Board meeting at which the complaint will be on the agenda for presentation to the Board.

The Superintendent or designee shall provide the Board the record of the Level Two complaint. The employee may request a copy of the Level Two record.

The Level Two record shall include:

1. The Level One record.
2. The written response issued at Level Two and any attachments.
3. All other documents relied upon by the administration in reaching the Level Two decision.

If at the Level Three hearing the administration intends to rely on evidence not included in the Level Two record, the administration shall provide the employee notice of the nature of the evidence at least three days before the hearing.

The District shall determine whether the complaint will be presented in open or closed meeting in accordance with the Texas Open Meetings Act and other applicable law. [See BE]

The presiding officer may set reasonable time limits and guidelines for the presentation including an opportunity for the employee and administration to each make a presentation and provide rebuttal and an opportunity for questioning by the Board. The Board shall hear the complaint and may request that the administration provide an explanation for the decisions at the preceding levels.

In addition to any other record of the Board meeting required by law, the Board shall prepare a separate record of the Level Three presentation. The Level Three presentation, including the presentation by the employee or the employee's representative, any presentation from the administration, and questions from the Board with responses, shall be recorded by audio recording, video/audio recording, or court reporter.

The Board shall then consider the complaint. It may give notice of its decision orally or in writing at any time up to and including the next regularly scheduled Board meeting. If the Board does not make a decision regarding the complaint by the end of the next regularly scheduled meeting, the lack of a response by the Board upholds the administrative decision at Level Two.

RELATION TO
ESSENTIAL
KNOWLEDGE AND
SKILLS

The District shall establish instructional objectives that relate to the essential knowledge and skills for grade-level subjects or courses. These objectives shall address the skills needed for successful performance in the next grade or next course in a sequence of courses.

Assignments, tests, projects, classroom activities, and other instructional activities shall be designed so that the student's performance indicates the level of mastery of the designated District objectives. The student's mastery level shall be a major factor in determining the grade for a subject or course.

GUIDELINES FOR
GRADING

The Superintendent or designee shall ensure that each campus or instructional level develops guidelines for teachers to follow in determining grades for students. These guidelines shall ensure that grading reflects a student's relative mastery of an assignment and that a sufficient number of grades are taken to support the grade average assigned. Guidelines for grading shall be clearly communicated to students and parents.

In accordance with grading guidelines, a student shall be permitted a reasonable opportunity to redo an assignment or retake a test for which the student received a failing grade.

PROGRESS
REPORTING

Grade reports shall be issued every nine weeks on a form approved by the Superintendent or designee. Performance shall be measured in accordance with this policy and the standards established in EIE.

INTERIM REPORTS

Interim progress reports may be issued at the teacher's discretion; however, notice of a student's consistent unsatisfactory performance shall be issued in accordance with law.

CONFERENCES

In addition to conferences scheduled on the campus calendar, conferences may be requested by a teacher or parent as needed.

ACADEMIC
DISHONESTY

Students found to have engaged in academic dishonesty shall be subject to grade penalties on assignments or tests and disciplinary penalties in accordance with the Student Code of Conduct. Academic dishonesty includes cheating or copying the work of another student, plagiarism, and unauthorized communication between students during an examination. The determination that a student has engaged in academic dishonesty shall be based on the judgment of the classroom teacher or another supervising professional employee, taking into consideration written materials, observation, or information from students.

CURRICULUM
MASTERY

Promotion and course credit shall be based on mastery of the curriculum. Expectations and standards for promotion shall be established for each grade level, content area, and course and shall be coordinated with compensatory/accelerated services. [See EHBC]

STANDARDS FOR
MASTERY

In addition to the factors in law that must be considered for promotion, mastery shall be determined as follows:

1. Course assignments and unit evaluation shall be used to determine student grades in a subject. An average of 70 or higher shall be considered a passing grade.
2. Mastery of the skills necessary for success at the next level shall be validated by assessments that may either be incorporated into unit or final examinations or may be administered separately. Mastery of at least 70 percent of the objectives shall be required.

GRADES 1–6

In grades 1–6, promotion to the next grade level shall be based on an overall average of 70 on a scale of 100 based on course-level, grade-level standards (essential knowledge and skills) for all subject areas and a grade of 70 or above in language arts/reading and mathematics.

GRADES 7–8

In grades 7–8, promotion to the next grade level shall be based on an overall average of 70 on a scale of 100 based on course-level, grade-level standards (essential knowledge and skills) for all subject areas and a grade of 70 or above in language arts (an average of reading and language arts), mathematics, science, and social studies.

GRADES 9–12

Grade-level advancement for students in grades 9–12 shall be earned by course credits. [See EI]

STUDENTS WITH
DISABILITIES

Promotion standards and appropriate assessment and acceleration options, as established by individualized education programs (IEP) or grade-level classification of students eligible for special education, shall be determined by the ARD committee.

LIMITED ENGLISH
PROFICIENCY
STUDENTS

In assessing students of limited English proficiency for mastery of the essential knowledge and skills, the District shall be flexible in determining methods to allow the students to demonstrate knowledge or competency independent of their English language skills in the following ways:

1. Assessment in the primary language.
2. Assessment using ESL methodologies.
3. Assessment with multiple varied instruments. [See EHBE]

STUDENT SUCCESS
INITIATIVE

In addition to local standards for mastery and promotion, students in grades 5 and 8 must meet the passing standard on an applicable assessment instrument in the subjects required under state law in order to be promoted to the next grade.

DEFINITION OF
'PARENT'

For purposes of this policy and decisions related to the student success initiative, a student's "parent" shall be defined to include either of the student's parents or guardians; a person designated by the parent, by means of a Power of Attorney, to have responsibility for the student in all school-related matters (see FD); a surrogate parent acting on behalf of a student with a disability; a person designated by the parent or guardian to serve on the grade placement committee (GPC) for all purposes; or in the event that a parent, guardian, or designee cannot be located, a person designated by the Superintendent or designee to act on behalf of the student. [See EIE(LEGAL)]

NO ALTERNATE
ASSESSMENT
INSTRUMENT

The District shall use only the statewide assessment instrument for the third testing opportunity.

STANDARDS FOR
PROMOTION UPON
APPEAL

If a parent initiates an appeal of his or her child's retention following the student's failure to demonstrate proficiency after the third testing opportunity, the GPC shall review all facts and circumstances in accordance with law and shall apply the following standards in deciding to promote or retain the student:

1. Evidence of satisfactory student performance, including grades, portfolios, work samples, local assessments, previous state assessments, or individual reading or mathematics diagnostic tests or inventories, as appropriate;
2. Improvement in student test performance over the three testing opportunities;
3. Extenuating circumstances that may have adversely affected the student's participation in instruction, required assessments, or accelerated instruction; and
4. Consideration of whether a student was not enrolled in a Texas public school for part of the school year.

The student shall not be promoted unless:

1. All members of the GPC agree that the student is likely to perform on grade level if given additional accelerated instruction during the following school year in accordance with the educational plan developed by the GPC; and

2. The student completes accelerated instruction in the subject area for which the student failed to demonstrate proficiency before placement in the next grade level.

Whether the GPC decides to promote or to retain a student in this manner, the committee shall determine an accelerated instruction plan for the student for the following school year, providing for interim reports to the student's parent and opportunities for the parent to consult with the teacher or principal as needed. The principal or designee shall monitor the student's progress during the following school year to ensure that he or she is progressing in accordance with the plan.

TRANSFER
STUDENTS

When a student transfers into the District having failed to demonstrate proficiency on applicable assessment instruments after two testing opportunities, a GPC shall convene for that student. The GPC shall review any available records of decisions regarding testing and accelerated instruction from the previous district and determine an accelerated instruction plan for the student.

If a parent initiates an appeal for promotion when a student transfers into the District having failed to demonstrate proficiency after three testing opportunities, the GPC shall review any available records of decisions regarding testing, accelerated instruction, retention, or promotion from the previous district and issue a decision in accordance with the District's standards for promotion.

ASSIGNMENT OF
RETAINED STUDENTS

A student not promoted to the next grade level shall remain at the same campus or shall be assigned to a similar campus setting.

REDUCING STUDENT
RETENTION

A student and the student's parent or guardian shall be given written notice prior to and at such time when a student's attendance in any class drops below 90 percent of the days the class is offered.

METHODS FOR
REGAINING CREDIT

When a student's attendance drops below 90 percent but remains at least at 75 percent of the days the class is offered, the student may earn credit for the class by completing a plan approved by the principal. This plan must provide for the student to meet the instructional requirements of the class as determined by the principal.

If the student fails to successfully complete the plan, or when a student's attendance drops below 75 percent of the days the class is offered, the student, parent, or representative may request award of credit by submitting a written petition to the appropriate attendance committee.

Petitions for credit may be filed at any time the student receives notice but, in any event, no later than 30 days after the last day of classes.

The attendance committee shall review the student's entire attendance record and the reasons for absences and shall determine whether to award credit. The committee may also, whether a petition is filed or not, review the records of all students whose attendance drops below 90 percent of the days the class is offered.

Students who have lost credit because of excessive absences may regain credit by fulfilling the requirements established by the attendance committee.

PERSONAL ILLNESS

When a student's absence for personal illness exceeds four consecutive days, the principal or attendance committee may require that the student present a statement from a physician or health clinic verifying the illness or condition that caused the student's extended absence from school as a condition of classifying the absence as one for which there are extenuating circumstances.

If a student has established a questionable pattern of absences, the principal or attendance committee may require that a student present a physician's or clinic's statement of illness after a single day's absence as a condition of classifying the absence as one for which there are extenuating circumstances.
