ADDITIONAL DUTIES

- Attendance on committees, governing boards, advisory boards, or other committee is required. In the event you are unable to attend, it is your responsibility to find someone to attend in your place.
- Personnel Committee will assist the school board and administration to maintain a quality work force. The committee will consist of any three board members, superintendent, director of human resources. The committee will resolve employee grievances and staff discipline.
- Communication - The Globe is a quarterly publication and our best source of community information. It is sent to every resident in the district, all the families who live out of the district, and all the staff who live out of the district. The article is around 400 words. Rotation of each board member – Superintendent will edit.
- Monthly Staff Newsletter - There are nine issues and the school board will submit an article every other month. The articles are shorter than the Globe, about 200 + words. I recommend starting with one board member and identifying a second to be the proof reader/editor. The next month that person becomes the writer and the third board member is the proof reader/editor etc.
