# Achievements

Technology Department

- Updated the surveillance software
- Completed identifying all aspects of the current physical network.
- Repaired the sound system in DHS auditorium
- Audited who had access to the Burglar systems and updated accordingly.
- Completed phone gateway replacements at all locations.
- Camera issues due to software upgrades have been resolved.
- ID all older unusable equipment and have staged for removal.
- Created a Laptop Care Guide that will be passed out to all students.
- Audited all computer labs.

# Projects

Technology Department

- In a discovery in the voip project, we found several POTS lines that have not been identified. - working to ID.
- Finalizing a scope of work for network upgrade.
- Get our surveillance software back under maintenance.
- Successfully created a link to Powerschool to Sync all staff to our AD.
- Working to get a Vendor to purchase our old unusable equipment.
- Full DHS And DMS Projector audit.
- Continuous updating the district website to remove aged content.
- Ongoing push to get 1 to 1 numbers up at DHS.
- Ongoing - Reviewing our current servers to resolve any intermittent issues.

# One to One Updates

Technology Department
