

Consider approval of district second appraisers for T-TESS for the 2025-2026 school year.

1. Background:

The provisions of Chapter 150 issued under the Texas Education Code 21.351-21.356 outline requirements for appraisers of Texas teachers. The teacher's supervisor shall conduct the teacher's appraisal and must hold the necessary certificate for appraisal. An appraiser other than the teacher's supervisor must be approved by the school district board of trustees, hold a valid teaching certificate, and have at least three years of teaching experience. Since the teacher may request a second appraisal by another appraiser, the following administrators are recommended as appraisers for the 2025-2026 school year.

2. Process:

The administrators have been certified as T-TESS appraisers by the state.

3. Fiscal Impact:

The administrators use local district funds to be T-TESS trained.

4. Recommendation:

That the Board approves the following administrators as second appraisers for T-TESS for the 2025-2026 school year.

Loretta Zavala

5. Required:

Board action.
