RE: Donations- Hot Water Heater and Installation Servicing Beye's
Dishwasher and iPads for Lincoln's Library

DATE: January 29, 2019

Summary

The Principal of Beye School has requested the installation of an electric hot water heater to support the dishwasher at Beye in order to get away from the use of disposable (and recyclable) lunch trays at the school. The installation was affected through a combination of district funds, convenience funds, and PTO donations. The donation is valued at \$4,112 and includes all materials and labor by an outside vendor per the attached.

The PTO of Lincoln School would like to donate 10 iPads for student use in the Library. The donation is valued at \$3,000 and will be provided by an outside vendor per the attached.

Administration will be seeking a motion that the Board of Education of Oak Park District 97 accepts the donations in the amount of \$4,112 and \$3,000 at its February 12, 2019 meeting.
